

David E. Roberson

Senior Vice President and General Manager, StorageWorks Division

Hewlett-Packard Company

David E. Roberson is senior vice president and general manager of the StorageWorks Division within the Enterprise Storage and Servers business unit at HP. He is responsible for building on HP's foundation as a leading provider of storage solutions and pursuing new opportunities for growth worldwide.

Previously, Roberson was chief executive officer of Hitachi Data Systems, which he helped evolve into a leading global storage solutions company. He was also instrumental in building the company's global channel and securing business partnerships.

Roberson spent 26 years at Hitachi Data Systems in key executive management positions, including president and chief operating officer. He also has served as a board member of several public and private companies, spanning semiconductors to IT services. He currently serves as a board member of Spansion Corp.

Roberson received a bachelor's degree in social ecology from the University of California at Irvine, and a law degree from Golden Gate University School of Law in San Francisco. He also studied financial management at Harvard Business School.
