

## HP L1906I FLAT PANEL MONITOR

19-inch diagonal widescreen LCD monitor with an IWC Stand that enables simple PC and monitor configurations.

The HP L1906i Flat Panel Monitor offers a unique, modular approach that combines the superior front of screen performance of an LCD monitor with the convenience of a stand designed to house an HP Compaq dc7800 Ultra-slim Desktop PC or HP Thin Client for a compact configuration that makes more efficient use of space-constrained environments.

### Improved technology

This monitor features many of the latest flat panel technologies available, including:

- Substantial brightness (up to 270 cd/m<sup>2</sup>)\*
- High contrast ratio (up to 500:1)\*
- Improved response times (as fast as 5 ms)\*
- Wide viewing angles enable comfortable viewing from anywhere in the room
- A full range tilt, swivel, and height-adjustment settings helps users find a comfortable viewing position

### Smart software

HP Display LiteSaver allows Sleep mode scheduling at preset times to help protect against image retention and lower power consumption and energy costs. HP Display Assistant enables monitor adjustment and color calibration through the connected PC.

### Exclusive design

The HP L1906i monitor includes the HP Quick Release and the HP Compaq dc7800 Series Integrated Work Center (IWC) Stand designed for the full-featured HP Compaq dc7800 Ultra-slim Desktop PC and HP Thin Clients (sold separately).

The monitor helps simplify placement of PC/thin client and monitor solutions in space-constrained and public-traffic areas, including:

- Retail POS/kiosks
- Mainstream office/cubicles
- Financial/trading environments
- Healthcare/laboratories

The built-in IWC Stand stores the PC or thin client securely and out of the way behind the monitor. The convenient cable management solution keeps all of the PC cables together and hidden from view.

### Service and support

The HP L1906i monitor comes with a three-year limited warranty, which makes them easy for IT departments to purchase, install, and maintain. The HP warranty is supported by 65,000 IT service and support professionals in 160 countries around the world.

# HP L19061 FLAT PANEL MONITOR

<b>Panel type</b>	19-inch Active Matrix TFT (thin film transistor)
<b>Viewable image area (diagonal)</b>	19 in/48.25 cm
