

## HP W17E 17-INCH WIDE LCD MONITOR

Affordable widecreen LCD monitor for everyday computing

Now you can enjoy the same widescreen comfort of your notebook when you're working at the office. The HP w17e 17-inch Wide LCD Monitor offers everyday performance features in an elegant 17-inch diagonal screen designed for users who prefer widescreen viewing, wherever they work.

### Improve how you view your work

- Get crisp, clear, high resolution views of your graphics and data projects with a high contrast ratio, sharp resolutions to 1440 x 900, and fast 8 ms response time\*
- Use as a desktop monitor for your docked widescreen notebook PC or desktop PC
- Enjoy stereo audio without desktop clutter from the built-in front-of-panel speakers
- Find the most comfortable viewing position with adjustable tilt features
- Take the monitor off the desk and mount on a wall with the HP Quick Release (sold separately), which attaches easily to the four-hole VESA pattern on the back of the monitor

### User-friendly controls

The monitor features Plug and Play convenience for easy setup and maintenance. A wide range of icon-based on-screen controls allows you to quickly customize the display to match your preferences.

### Assured compatibility

HP monitors offer guaranteed out-of-the-box compatibility with HP business PCs, workstations, thin clients, and notebooks. Plus, when you buy the monitor with an HP PC, you get end-to-end product serviceability and support from HP with just one phone call.

### Environmentally friendly

This monitor meets stringent worldwide environmental regulatory standards, including CE Mark and UL and is in compliance with the Restrictions of Hazardous Substances (RoHS) Directive, 2002/95/EC.

### Enjoy peace of mind

The HP w17e monitor is just one more product that comes with the HP-standard peace of mind, which makes them easy for IT departments to purchase, install, and maintain. The three-year limited warranty is backed by HP service and support from 65,000 IT service and support professionals in 160 countries around the world.
