

HP Color LaserJet CP6015 Printer Series

Overview

Maximize performance and create exceptional color collateral with the versatile HP Color LaserJet CP6015 Printer series. Designed as HP's most powerful, productive and cost-effective printer series to date, the HP Color LaserJet CP6015 single-function printer series is ideal for technical and creative professionals working in an enterprise setting.

The HP Color LaserJet CP6015 Printer series offers a wide range of media sizes to produce a diverse collection of documents from brochures and spreadsheets to posters and architectural drawings with its wide-format and banner capabilities. Newly enhanced HP ColorSphere toner produces a dynamic range of bright, brilliant color; crisp, easy-to-read text; and sharp detail for all business printing needs from the production of in-house marketing materials to everyday, general-office printing.

Key features and benefits

- Optimize printing infrastructure with color and black-and-white printing speeds as fast as 41 pages per minute (ppm) in best print quality default mode with first page out as fast as 11 seconds (as fast as 11.5 seconds for color)⁽¹⁾ from "Ready" mode⁽²⁾
- Up to 1,200 x 600 dpi print provides improved print quality for line art and fine details
- Expanded support with wide-format capabilities reaching 12.6 by 36 inches
- Streamline business operations with print management tools, including HP Web Jetadmin, HP Easy Printer Care, HP Universal Print Driver, HP SureSupply and the HP Embedded Web Server
- HP ColorSphere toner is designed for high-volume printing and will deliver consistent, professional-quality results throughout the life of the cartridge
- Reduce operating costs and simplify input management with up to 2,100-sheet total input capacity
- IPv6 support standard; Gigabit networking and IPsec available
- Built-in automatic two-sided printing to increase productivity and efficiency for users, meeting ENERGY STAR® guidelines⁽³⁾
- Expanded connectivity and easy network sharing with hi-speed USB 2.0-like port and HP Jetdirect Fast Ethernet embedded print server
- Easy to use, manage and maintain with one-door access to the preinstalled print

cartridges; intelligence built into cartridge enables usage tracking, provides alerts and consolidates order information across a fleet of printers for easy reordering

- Optimize print quality with Original HP printing supplies that deliver consistent, professional prints in documents produced quickly and easily⁽⁴⁾
- Full line of Original HP papers for business publishing are optimized for HP ColorSphere toner to achieve high-gloss; HP offers brochure, flyer, postcard and newsletter papers – in varying sizes, finishes and weights – for professional-quality marketing materials
