

## HP LaserJet M9050/M9040 Multifunction Printers

### Overview

Improve workflow in the office, simplify complex jobs and enhance productivity with the HP LaserJet M9050/M9040 multifunction printers (MFP). Designed for demanding workgroups of 30 to 50 users, the HP LaserJet M9050/M9040 MFP printers feature general office printing, copying, scanning and optional faxing. Improve business processes with a host of features, including, high-volume, cost-effective printing with copying; digital sending and automatic two-sided printing capabilities, which enable office functions to be performed more effectively and with less time. Enhanced HP monochrome toner formulation – designed together with the printer – enables the fastest HP workgroup printers and consistent results at the speeds required in robust business printing environments.

Save valuable time and produce professional results with a variety of paper-handling and finishing options. The HP LaserJet M9050/M9040 MFPs offer four available output solutions to optimize and increase efficiency in the workplace.

### Key features and benefits

- Fast printing and copying speed as fast as 50 pages per minute (ppm) with the HP LaserJet M9050 MFP and as fast as 40 ppm with the HP LaserJet M9040 MFP with first page out as fast as 8 seconds from “Ready” mode
- Reduce cost by utilizing all print and scan functions, including the ability to scan wide-format documents such as spreadsheets or architectural drawings with the A3 capabilities
- Improve document workflow with the scan to e-mail and additional digital sending features with fast, easy conversion of paper-based documents into electronic files
- Save time by using the dual-head color scanner on the automatic document feeder (ADF) to copy and scan double-sided originals
- Smooth, uniform toner produces true HP LaserJet print quality – clear, sharp text characters, smooth grayscales and deep blacks – for as long as the cartridge lasts
- HP Easy Select Control Panel provides an intuitive, consistent user experience across the HP lineup, while simplifying complex jobs and allowing users to enjoy high performance features
- Achieve high-quality results with a variety of paper-handling and finishing options, including: 8-bin mailbox, 3,000-sheet stapler/stacker or the multifunction finisher output solution
- Better print-environment/supplies management for IT and a trouble-free printing

experience for users through manageability features enabled by intelligence in Original HP print cartridges

- Reduce the cost of power, waste, and asset disposal with energy-efficient HP solutions and programs including automatic two-sided printing, HP Instant-on Technology, HP Web Jetadmin as well as HP's recycling program, HP Planet Partners<sup>(1)</sup>
- Optimize print quality with Original HP printing supplies that deliver consistent, professional prints in documents produced quickly and easily<sup>(2)</sup>
