

## HP LaserJet P4014 Printer Series

### Overview

Designed to meet the needs of workgroups of five to 10 users, the customizable HP LaserJet P4014 Printer series provides great productivity at an affordable price. Printer configuration and troubleshooting is a snap with “Show-Me-How” features on the control panel.

Printing at speeds as fast as 45 pages per minute (ppm), the HP LaserJet P4014 Printer series is designed to save time and increase performance. Delivering consistent results every time, new HP low-melt toner technology ensures optimal performance with each document, while reducing cartridge energy consumption by up to 15 percent compared to previous generations.

### Key features and benefits

- Increase efficiency with HP Instant-on Technology, which produces the first page out in as fast as 8.5 seconds from “Ready” mode<sup>(1)</sup>
- Process complex documents fast without sacrificing performance with a 540-MHz processor and up to 640 MB of expandable memory on select models
- Avoid interruptions and increase productivity with HP Easy Printer Care software. This helpful software tool can monitor and maintain up to 15 HP LaserJet printers and MFPs simultaneously, view supplies status including an estimate of pages remaining, track toner usage and consolidate supplies ordering information
- Upgrade the printer as a business grows with a host of optional paper handling and finishing accessories, including additional 500-sheet or 1,500-sheet input trays, an automatic duplexer for two-sided printing, an envelope feeder, a five-bin mailbox, a stacker or a stapler/stacker
- Enhance performance and increase storage capacity with an optional EIO hard disk. The printer series supports optional third-party solution upgrades via the three Host USB 2.0-like ports or EIO slot
- Streamline business operations with print management tools including HP Web Jetadmin, HP Easy Printer Care, HP Universal Print Driver, HP SureSupply and the HP Embedded Web Server
- 1,200 x 1,200 dpi printing in “Best” mode provides enhanced print quality for detailed line work like diagrams and architectural drawings
- Reduce the cost of power, waste and asset disposal with energy-efficient HP solutions and programs including automatic two-sided printing, HP Instant-on Technology, HP

Web Jetadmin as well as HP's recycling program, HP Planet Partners<sup>(2)</sup>

- Print quality and reliability – page after page enabled by toner specifically formulated for the printer and intelligence built into the cartridge
- HP innovations lessen the total impact of printing on the environment – toner enhancements enable the system to use 15 percent less energy when fusing toner to the page (compared to predecessor)
- Original HP cartridges – proven reliable in independent testing – can ultimately lower printing costs<sup>(3)</sup>
- Optimize print quality with Original HP printing supplies that deliver consistent, professional prints in documents produced quickly and easily<sup>(4)</sup>

#### **Supplies<sup>(4,5)</sup>**

- HP LaserJet CC364A Black Print Cartridge (10,000 pages): \$149

#### **Pricing and support<sup>(5)</sup>**

- HP LaserJet P4014: \$599<sup>(6)</sup>
- HP LaserJet P4014n: \$799

#### **Availability**

Expected to be available for purchase worldwide May 2008.

<sup>(1)</sup> Instant-on Technology uses cutting-edge fuser technology to produce the first page faster when a printer is coming out of low power mode so your print job is done sooner. An InfoTrends study shows the typical office print job is three to five pages long: [www.infotrends.com/public/Content/Presentations/officeprinteruse.pdf](http://www.infotrends.com/public/Content/Presentations/officeprinteruse.pdf). Actual results may vary.

<sup>(2)</sup> Program availability varies. HP printing supplies return and recycling is currently available in more than 40 countries, territories and regions in Asia, Europe, and North and South America through the HP Planet Partners program.

<sup>(3)</sup> 2007 North American Toner Cartridge and Reliability Comparison Study test results provided by QualityLogic, Inc. and commissioned by HP. Test performed on HP 42A and HP 10A monochrome LaserJet print cartridges. Tests were performed under laboratory conditions and actual performance may vary.

<sup>(4)</sup> Using genuine HP printing supplies ensures availability of all HP printing features.

<sup>(5)</sup> Estimated U.S. street prices. Actual prices may vary.

<sup>(6)</sup> HP LaserJet P4014 is not available in the United States. Price provided in Euros.
