

## HP LaserJet M1319f MFP

### Overview

The HP LaserJet M1319f MFP (multifunction printer) is HP's lowest-priced monochrome laser MFP with four-in-one capabilities including enhanced fax features. With a compact design that includes a built-in handset for making phone calls, this user-friendly device helps micro and small business users maximize desk space. To increase efficiency and quickly complete printing and imaging jobs, the HP LaserJet M1319f MFP also features HP Instant-on Technology and Instant-on Copy with LED-based technology.

### Key features and benefits

- Save space and money while increasing productivity with one affordable device that combines print, copy, fax and scan capabilities, as well as a built-in phone handset.
- Deliver high-quality output quickly with print and copy speeds of up to 19 pages per minute (ppm).<sup>(1)</sup>
- With HP Instant-on Technology, quickly complete a typical office print job in less than 8.5 seconds.<sup>(2)</sup>
- Produce a first copy in less than 12.6 seconds with HP Instant-on Copy with LED-based technology.
- Leverage innovative faxing capabilities including FaxTel to determine if the call is a voice or fax call, fax speeds up to 33.6 kbps, one-touch fax speed dials and digital fax storage for up to 500 received pages.
- Reduce paper waste and manage fax input with the junk-fax blocker, which automatically screens unwanted faxes.<sup>(3)</sup>
- Speed up document processing with a 30-sheet automatic document feeder (ADF) scanner, an adjustable 250-sheet input tray and a 100-sheet output bin.
- Enhance productivity with Original HP supplies – the all-in-one print cartridge, toner and paper are specifically designed with the MFP to deliver consistent, professional quality and reliable, trouble-free printing.
- Replacing supplies is made simple through the all-in-one Original HP print cartridge.
- Desktop alerts and installed software help customers easily shop for replacement supplies through HP SureSupply.<sup>(4)</sup>
- Securely maintain the HP LaserJet M1319f MFP using the integrated Kensington-style lock slot and a cable lock.<sup>(5)</sup>

**Pricing and availability<sup>(6)</sup>**

Estimated U.S. street price is \$249.

The HP LaserJet M1319f MFP is expected to be available May 1 for purchase worldwide.

<sup>(1)</sup> Exact speed varies depending on the system configuration, software program and document complexity. Copy speed measured by a single page with number of copies set to 99. Based on ITU-T test image #1 at standard resolution. More complicated pages or higher resolution will take longer and use more memory.

<sup>(2)</sup> Instant-on Technology uses cutting-edge fuser technology to produce the first page faster, so the print job is done sooner. An InfoTrends study shows the typical office print job is three to five pages long: [www.infotrends.com/public/Content/Presentations/officeprinteruse.pdf](http://www.infotrends.com/public/Content/Presentations/officeprinteruse.pdf). Time to completion of a typical office print job tested on HP and select competing products. Actual results may vary.

<sup>(3)</sup> Requires caller ID service, not included. Price and service contract must be negotiated separately. Junk-fax blocker available only in countries where caller ID is available.

<sup>(4)</sup> HP SureSupply availability varies by region. More information is available at [www.hp.com/learn/suresupply](http://www.hp.com/learn/suresupply).

<sup>(5)</sup> Lock is available for purchase via a third-party vendor.

<sup>(6)</sup> Estimated U.S. street prices. Actual prices may vary.
