

HP Tri-fold Brochure Paper, Glossy

Overview

HP Tri-fold Brochure Paper with improved dry time enables small to medium business customers to produce high-quality, tri-fold brochures with a print shop look and feel. Designed to work with HP inkjet printers, HP Tri-fold Brochure Paper features a bright-white finish and glossy coating for crisp text and vivid colors. High opacity ensures minimal show-through when printing on both sides. The paper is pre-scored for precise, easy folding while the substantial weight gives business materials a professional look and feel.
