

HP Deskjet F4200 All-in-One Series

The HP Deskjet F4200 All-in-One Series is an affordable, easy to use print, copy and scan solution with a modern design and intuitive user interface. Built for durability and performance, this reliable, energy-efficient all-in-one series offers several helpful features that make it ideal for everyday document prints, scans and photos, including a convenient, one-touch print-cancel button to prevent the printing of unwanted pages and a removable scan cover for scanning thicker media.

Key features and benefits

- Save space with this printer's ultra-compact design and 80-sheet fold-up paper tray.
- Get fast and efficient document printing with up to 26 pages per minute (ppm) in black and up to 20 ppm in color.⁽¹⁾
- Print laser-quality black text and vivid color graphics and photos, using HP Vivera inks.
- Archived documents retain black text and color quality for decades without fading.⁽²⁾
- Enhance the quality of your documents by using papers with the ColorLok logo.
- Print color images with enhanced detail, using ink technology that delivers an extremely small drop size.
- Print what you see – HP Smart Web Printing automatically adjusts web pages to prevent cutoff edges while optimizing web printing by letting users easily combine portions of numerous web pages onto one page.⁽³⁾
- Prevent the printing of unwanted pages while saving on ink and paper with the convenient, print-cancel button.
- Print documents that are smudge- and smear-resistant when using HP Vivera inks and HP Advanced Paper.
- Easily enlarge or reduce documents and photos using the Resize-to-Fit button.
- Remove red-eye from images and easily print 4 x 6-inch photos with included HP Photosmart Essential software.⁽³⁾
- Preserve documents and photos with up to 1,200 x 2,400 dots per inch (dpi) scan resolution.⁽⁴⁾
- Easily remove the scan cover for scanning books and thick documents.
- Finish a critical print job even when one ink cartridge runs low on ink as printing is seamlessly completed with the remaining black or color cartridge.
- Get three times more black printed pages and two times more color printed pages,
