

HP Hahnemühle Smooth Fine Art Paper

Overview

HP Hahnemühle Smooth Fine Art Paper, part of a full line of HP Professional Media, is designed to meet the needs of artists and photographers creating fine art reproductions or photographic output. This acid-free, single-side coated, smooth matte finish paper with a bright white shade produces vivid, full-color, high-quality printouts. HP Hahnemühle Smooth Fine Art Paper contains 100 percent cotton rag content for added strength and durability. It works seamlessly with the HP Photosmart Pro B8850/B9180 Photo Printers and HP Designjet Z Photo Printer Series with HP Vivera pigment inks as a total fine art solution.
