

HP 2133 MiNi-NOTE PC

SMALL WONDER. BIG POSSIBILITIES.
Fully-functional mini-note PC

HP recommends Windows Vista® Business

Small but mighty

Ideal for instructional use or general purpose business applications, the HP 2133 Mini-Note PC might be small in size (2.63 lb /1.19 kg and only 1.05 in/33 mm thin) but it's big on usability, durability, and sleekness. Packed with an impressive combination of features, the HP 2133 offers you a full-function PC with the utmost mobility.

Productive here, there and everywhere

The HP 2133 comes equipped with the productivity tools you need to conduct business efficiently on the go: 8.9-inch diagonal, scratch-resistant, WXGA display; 92% full-size, user-friendly QWERTY keyboard; ExpressCard/54 slot, integrated Secure Digital Reader, touchpad with scroll zone.

Cut the cords and stay connected

With wireless technologies such as integrated Wi-Fi Certified WLAN³ and optional Bluetooth®, it is easier to access the Internet as well as communicate via email, IM, chat, and blogging—at school, at home or on the road at your favorite hotspots as well as use optional Bluetooth devices such as printers, mice and headsets. By using the Internet, e-mail, instant messaging and VoIP,³ it

makes researching, communicating, collaborating, and searching more convenient and enjoyable.

HP Professional Innovations help you focus on your business

Built to last. The simple, refined design and all-aluminum case make it sleek and sturdy yet super lightweight. Reliable features such as HP DuraKeys, magnesium alloy support structure, and HP 3D DriveGuard help give you a reliable and durable mini-note PC that can go the distance.

Built to simplify. Experience video, still-image capture, web conferencing, or video-enhanced instant messaging with no additional hardware to buy or carry. The optional integrated VGA webcam enables both video and still-image capture so you can add photos and video clips to presentations, documents and e-mail.

HP COMPAQ 2133 MINI-NOTE PC

HP recommends Windows Vista® Business

Operating system	Preinstalled: Genuine Windows Vista Business 32 ¹ Genuine Windows Vista Home Basic 32 ¹ FreeDOS SuSE Linux Enterprise Desktop 10

HP 2133 MINI-NOTE PC

HP recommends Windows Vista® Business

1. Certain Windows Vista product features require advanced or additional hardware. See www.microsoft.com/windowsvista/getready/hardwarereqs.mspx and www.microsoft.com/windowsvista/getready/capable.mspx for details. Windows Vista Upgrade Advisor can help you determine which features of Windows Vista will run on your computer. To download the tool, visit www.windowsvista.com/upgradeadvisor.
2. Do not copy copyright-protected materials. Intended for creation and storage of your original material and other lawful uses.
3. Wireless access point required and is not included. Availability of public wireless access points limited. Wireless, internet, and VoIP require separately purchased service contract..
4. For hard drives, GB = 1 billion bytes. Actual formatted capacity is less. Up to 8 GB (for XP) and 10 GB (for Vista) of system disk is reserved for the system recovery software.
5. The term "10/100/1000" or "Gigabit" Ethernet indicates compliance with IEEE standard 802.3ab for Gigabit Ethernet, and does not connote actual operating speed of 1 Gb/sec. For high speed transmission, connection to a Gigabit Ethernet server and network infrastructure is required.
6. NIC speed limited due to processor L2 cache level.
7. HP Fast Charge recharges your primary battery up to 90% within 90 minutes when the system is off. HP Fast Charge does not apply to HP 2700 Ultra-Slim battery.
8. Sold separately or purchased as an optional feature.
