

HP Photosmart D5460 Printer

Overview

The HP Photosmart D5460 Printer is an easy-to-use everyday printer series that provides an effortless way to print lab-quality photos and laser-quality documents. Perfect for everyday home photo and document printing, the printer series' new five-ink printing system produces stunning photos and vivid color images and documents. This reliable and affordable printer series includes several convenient features such as a 1.5-inch color display, memory card slots, HP Smart Web Printing,⁽¹⁾ and an auto-engaging photo tray, making printing photos and photo projects effortless. The HP Photosmart D5460 Printer also prints photos and text directly on CDs and DVDs.⁽²⁾

Additionally, the HP Photosmart D5460 Printer's long-lasting, dual-drop-volume print head is comprised of 55 percent recycled plastic material (RPET). HP derived the recycled material from Original HP ink cartridges collected through HP's Planet Partners return and recycling program and other sources such as plastic water bottles.
