

Manager, Product Marketing

Sherry Foster is product marketing manager for Managed Services at EDS, an HP company. Her team is responsible for overall product management, go-to-market strategy, communications and sales enablement for EDS' suite of managed services for the data center and workplace services, as well as business continuity and recovery services.

Foster has been with HP for more than 17 years. She started her career at HP Canada managing the administration for central Canada's field services. She has spent the majority of her career in marketing with responsibilities for the North American market, as well as spending two years in Europe working for HP France. She has been a part of HP's Worldwide Marketing team since 2000.

Foster holds a Bachelor of Arts in economics and a Master of Business Administration from McMaster University in Hamilton, Ontario, Canada.
