Stephan Schmitt is responsible for the worldwide marketing function of the StorageWorks Division of HP. He oversees and directs the entire marketing mix for the storage business of HP.

Stephan joined HP in 1991 in Germany. He quickly assumed senior European marketing and management positions. In his last European assignment he managed the commercial supplies business in Europe, Middle East and Africa. In 1999 he moved to the United States to become the marketing vice president for the HP printing supplies business.

Stephan graduated from the Karlsruhe Institute of Technology, Germany. He holds a University Diploma in Mechanical Engineering, Computer Science and Business Administration.
