

HP Officejet 6500 All-in-One Series

Overview

Designed to help home-office and micro-business customers increase efficiency and maximize productivity, the HP Officejet 6500 All-in-One offers a multitude of features including fast print speeds and embedded wired and wireless⁽¹⁾ networking options. Based on the exclusive HP Scalable Printing Technology, the HP Officejet 6500 All-in-One series delivers the impact of color for up to 40 percent less cost per page and energy use than lasers.⁽²⁾

The HP Officejet 6500 All-in-One series delivers business documents with professional print quality and essential durability for efficient, versatile output with HP reliability.⁽³⁾ This four-in-one ENERGY STAR® qualified device also combines key features for added paper savings and energy savings to reduce a business's impact on the environment.

Key features and benefits

- Print professional color documents at up to 40 percent less cost per page and energy use than competitive lasers, using HP Officejet inks.⁽²⁾
- Boost office productivity with print, scan, copy and fax functions in one device with embedded networking options and automatic two-sided printing.
- Enjoy print speeds as fast as 32 pages per minute (ppm) black and up to 31 ppm color⁽⁴⁾ and laser-comparable speeds up to 7 ppm black and color⁽⁵⁾ after first page.
- Produce professional-quality, durable documents with specially-formulated HP Officejet individual inks designed for business use and plain papers with ColorLok technology.⁽³⁾
- Eliminate cables and easily share the HP Officejet 6500 Wireless All-in-One series, which features embedded wired and wireless 802.11g networking⁽¹⁾ for up to five users.
- Save resources with environmentally-friendly features such as automatic two-sided printing and copying, a junk fax blocker,⁽⁶⁾ fax to network folder/email, PC Fax Send and scan to computer.
- [HP Smart Web Printing](#)⁽⁷⁾ optimizes printing from the web, allowing consolidation and organization of pages for simple, predictable web printing.
- Save more with high-capacity, individual HP Officejet ink cartridges that yield more printed pages and require fewer cartridge replacements.⁽⁸⁾
- Experience energy savings through cleaner, more reliable, more energy-efficient LED copy technology, using 4 times less energy in idle mode and 1.4 times less energy in copy mode compared to fluorescent tubes.

- (1) Wireless performance is dependent upon physical environment and distance from access point.
- (2) Cost-per-page (CPP) and energy-savings claims are based, as of June 2008, on the majority of color laser printers less than \$300 when using HP Officejet Pro products with high-capacity cartridges. Energy use is also based on the manufacturers' stated power consumption when printing. Test methods may vary. For details www.hp.com/go/officejet.
- (3) Based on HP internal testing, using papers with the ColorLok logo.
- (4) After first page; details are available atsee www.hp.com/go/inkjetprinter for details.
- (5) Based on ppm measured using FDIS ISO/IEC 24734. Standard applies to inkjet and laser products and excludes first set of test documents. For Details are available at, see www.hp.com/go/inkjetprinter.
- (6) Requires caller ID service, not included. Price and service contract must be negotiated separately. Junk fax blocker available only in areas with caller ID services.
- (7) Requires Microsoft® Internet Explorer 6.0 or higher.
- (8) High-capacity cartridges not included, please purchase separately.
- (9) Memory card slots support Secure Digital/MultiMedia Card, Memory Stick,® Memory Stick® Duo, xD-Picture Card™.
- (10) HP ink cartridge return and recycling is available in 42 countries and territories around the world, covering 88 percent of the addressable market; details are available atsee www.hp.com/recycle for details.
- (11) Information about For device compatibility is available at, visit www.hp.com/go/easyprintercare.
- (12) U.S. estimated street price, actual prices may vary.
