

HP Officejet Pro 8000 Printer Series

Overview

The affordable HP Officejet Pro 8000 Printer series delivers professional color documents for up to 50 percent less cost per page and energy use than laser printers,⁽¹⁾ and allows customers to create high-impact business documents and marketing materials. Based on the exclusive HP Scalable Printing Technology, the HP Officejet Pro 8000 Printer series uses HP Officejet pigment inks designed especially for the office to provide small and micro business users with enhanced print durability and the ability to produce archive-quality, water-resistant documents that stand up to handling.⁽²⁾

Designed to help small and micro business users save energy and stay productive, the HP Officejet Pro 8000 Printer series includes fast print speeds, embedded wired and wireless⁽³⁾ networking options and device management software. Additionally, this ENERGY STAR® qualified device offers key features such as automatic two-sided printing, [HP Smart Web Printing](#)⁽⁴⁾ and easy cartridge recycling through the HP Planet Partners program⁽⁵⁾ to reduce a business's impact on the environment.

Key features and benefits

- Print professional color documents for up to 50 percent less cost per page and energy use than competitive laser printers, using HP Officejet inks.⁽¹⁾
- Print professional, durable color documents that resist water and dry quickly with newly formulated HP Officejet pigment inks specifically designed for business use, and papers with ColorLok technology.⁽²⁾
- Increase productivity with print speeds as fast as 35 pages per minute (ppm) black and up to 34 ppm color⁽⁶⁾ and laser-comparable speeds of up to 15 ppm black and up to 11 ppm color⁽⁷⁾ after first page.
- Boost productivity with features such as embedded wired and wireless networking⁽³⁾, automatic two-sided printing and optional second tray for minimal user intervention.
- Save more with high-capacity, individual HP Officejet ink cartridges that yield more printed pages and require fewer cartridge replacements.⁽⁷⁾
- Produce print-shop quality documents in the office using HP's full line of specialty matte and glossy HP brochure papers, supporting borderless printing and designed specifically for small businesses.
- Use HP Easy Printer Care Software⁽⁸⁾ to easily monitor, maintain and troubleshoot the HP Officejet Pro 8000 Printer.
- Through the [HP Creative Studio](#), access a wide range of affordable, easy-to-use, do-it-yourself (DIY) products that can be printed using the HP Officejet Pro 8000 Printer
