

## HP Scanjet N6350 Networked Flatbed Document Scanner

### Overview

Designed for small work teams without dedicated IT resources, the HP Scanjet N6350 Networked Flatbed Document Scanner is a simple-to-use, versatile page scanner with integrated networking for multiple users to easily share and send digital files to email or a network folder. With optional PIN security, users can protect and manage scanner access and save-to locations on the network.

The HP Scanjet N6350 Networked Flatbed Document Scanner quickly and efficiently completes scanning tasks with a four-line LCD display, 10-digit keypad, task shortcuts, and dedicated scan and copy buttons. The scanner has the ability to capture documents of various sizes, photos, transparent materials, slides and negatives. This high-performance scanner includes a robust selection of intuitive software applications to manage digital files, convert scans into editable text documents, create databases of professional contacts and integrate the scanner with other systems.

### Key features and benefits

- Minimize technology spending by sharing one robust scanner on the network through simple direct Ethernet connection
- Conveniently scan a document or photo directly to an email address, network folder or application for easy archiving and sharing
- Efficiently scan and archive up to legal-sized documents with the 50-page automatic document feeder (ADF) and journals, books, catalogs and brochures with the flatbed scanner
- Perform rapid duplex scanning up to 15 pages per minute (ppm) and six images per minute (ipm) using the ADF
- Easily navigate tasks with the four-line LCD display and the 10-digit keypad
- Adjust digital documents and files with advanced document capture capabilities including: automatic de-skew, crop, rotate, blank page detection and color drop out
- Get sharp, high-quality black and white and color photo scans with 2,400 dpi and 48-bit color depth
- Save scanned documents and images to a variety of locations and file types, including PDF, TIFF and JPEG
- Enhance productivity with a broad selection of included document management applications, such as Presto! Page Manager®, ScanSoft® PaperPort®, IRIS Readiris™ Pro OCR and Presto! Biz Card<sup>SM</sup> Reader, and HP capture software

- Easily manage and protect scanner access and save-to locations through optional PIN security
- Rely on exceptional HP service and standard one-year warranty with optional service pack upgrades, including next-day exchange and warranty extension. Phone support varies within each region, and information is available at <http://www.hp.com/support>
- ENERGY STAR® qualified
