HP ProBook 4310s Notebook PC

HP recommends Windows Vista® Business

Accessories for the HP ProBook 4310s Notebook PC

Have It All.
Efficiency,
performance and
savvy style.

Docking

An efficient computing environment helps you stay productive, whether you're working in your main office, a satellite office or a home office. HP Universal Docking Solutions gives you video (HP USB 2.0 Docking Station only), audio, and network connectivity and lets multiple universal serial bus (USB) connected devices work at the same time. A flexible computing environment helps you stay productive, whether you're working in your main office, a satellite office or a home office.

Memory

Boost your notebook performance cost-effectively by reducing bottlenecks caused by memory-intensive applications with certified and warranted HP Memory.

Cases

Secure your notebook inside your HP Carrying Case for easy portability and notebook protection. HP offers a complete range of carrying cases for your HP Business notebook.

Power solutions

The HP 8-Cell 14.4V Li-Ion Primary Battery provides extra battery life when you are on the go. Keep working when on the road with Smart AC power adapters from HP.

Complete portfolio of accessories

HP offers a complete portfolio of accessories that includes hard drive, back-up and optical drive solutions - all the accessories you need to help create your mobile office.
