

John Nitti

Regional Director, Enterprise Software, Imaging and Printing Group

Hewlett-Packard Company

John Nitti is regional director for enterprise software in the Imaging and Printing Group at HP. He is responsible for directing the company's business development strategy for the print service market in the Americas.

Nitti joined HP through the Exstream Software acquisition in 2008. He was with Exstream Software for seven years as vice president of solutions. Prior to HP Exstream, he held leadership positions managing professional services with multiple software companies, including Amplitude Software, Platinum Technology and Critical Path. Nitti also previously held consulting roles and management positions with system integrators Price Waterhouse and Computer Science Corporation.

Nitti holds a degree in computer science.
