

HP Photosmart Plus All-in-One Overview

Overview

The HP Photosmart Plus All-in-One is a complete print, scan and copy solution that allows consumers to wirelessly print photos, web content and everyday documents with ease. The printer's full-featured HP TouchSmart control panel enables consumers to conveniently display, edit and print photos – all without turning on the PC.

Ideal for consumers who want an easy-to-use device that strikes a balance between everyday and photo printing, the HP Photosmart Plus All-in-One includes photo printing features that save time and prevent printing errors, including an auto-engaging photo tray, auto red-eye removal and the HP Photo Print Gadget⁽¹⁾ for effortless drag-and-drop printing. With built in Wi-Fi support,⁽²⁾ this solution enables printing from wireless-enabled PCs and even the Apple iPhone and iPod touch.⁽³⁾
