

HP Photosmart Premium All-in-One Series

Overview

The HP Photosmart Premium All-in-One is an easy-to-use print, scan and copy solution that offers the convenience of HP TouchSmart and complete connectivity for users who want to print from virtually anywhere in the home.⁽¹⁾

Featuring the convenience and simplicity of a TouchSmart control panel with a large 3.45-inch touchscreen, the HP Photosmart Premium All-in-One allows users to view, edit and print lab-quality photos from online albums at [Snapfish](#)⁽²⁾ without connecting to a PC. Touchscreen connectivity to Snapfish enables customers to archive, share, and create projects or print photos from the site like never before.

Perfect for on-the-go, connected families who need a printer that can handle the entire household's needs – from everyday documents to photos – the HP Photosmart Premium All-in-One offers built-in Wi-Fi, Bluetooth® and Ethernet capabilities for notebooks, PCs and mobile devices alike. Designed with the environment in mind, this ENERGY STAR® qualified all-in-one reduces energy use by more than 25 percent over the previous model and features paper-saving options such as automatic two-sided printing.
