

Jay Mellman
Senior Director, Product & Solution Marketing
HP Networking

HEWLETT-PACKARD COMPANY

Jay Mellman is senior director of Product & Solutions Marketing for HP Networking. With a distinguished career of nearly 20 years, Mellman is currently responsible for all product and solution marketing, global campaign and program development, training and enablement, and strategic marketing activities.

Prior to HP, Mellman held several positions at Cisco in both the enterprise and service provider arenas.

Mellman is a graduate of both the Kellogg Graduate School of Management and the University of California at Berkeley. He is an active leader in key community organizations in addition to his HP role.
