

GLENN KEELS
Director of Marketing
WW Service Provider and High Performance Computing

HEWLETT-PACKARD COMPANY

Glenn Keels is Director of Worldwide Marketing for HP's Service Provider and High Performance Computing Business as a part of the Industry Standard Server Division within HP. In this role, he is responsible for lifecycle marketing of HP ProLiant servers, and the market's broadest range of converged infrastructure products, services and solutions.

Glenn rejoined HP with over 15 years of enterprise solutions marketing experience. Most recently, he led worldwide server product marketing for Cisco and Dell. He first joined HP in 1994 leading Services Marketing for Compaq ProLiant servers after more than ten years service as an enlisted soldier then officer in the U.S. Army.

Glenn holds a bachelor's degree from Tarleton State University and is a Distinguished Military Graduate of Texas A&M University.
