

PATRICE GAUMER
Network Consulting Services Portfolio Manager, Technology Services
Enterprise Business

HEWLETT-PACKARD COMPANY

Patrice Gaumer is portfolio manager for Network Consulting under Technology Services at HP. In this role, he recently was part of the HP Networking/3Com integration team that managed the Services and Support portfolio integration between the two companies.

Gaumer joined HP in 1985 and has 24 years of experience in the IT services industry. He worked for Technology Services at HP for 10 years managing sales engagements for regional and global accounts before joining HP Networking as services development manager in 2007. Through his tenure at HP, Gaumer has held various positions in Marketing, Sales Development, Field Support, Technical Consulting and Workforce Development.

Gaumer holds a Bachelor's degree in Computer Science.
