COLOR LASERJET ENTERPRISE CP5525 PRINTER SERIES
CP5525n • CP5525dn • CP5525xh

Produce professional-quality color documents—from postcard to SRA3—with ease and efficiency. Easily add printing capabilities and extend the life of your printer with firmware upgrades, third-party solutions, networking options and expandable paper capacity—up to 2,350 sheets—with automatic media sensing. Limit IT calls and keep productivity a top priority with intuitive, easy-to-use management tools. Reduce overhead and environmental impact with energy- and material-saving features.

Enable color printing from postcards to posters
- Print on a wide variety of paper sizes—from 3 x 5-inch postcards to 12.6 x 17.72-inch SRA3 media
- Produce high-volume print jobs without frequent paper changes, with a paper capacity up to 2,350 sheets.6
- Improve efficiency with a printer that automatically recognizes paper size and type for best printing results.
- Increase efficiency and versatility with automatic two-sided printing.3

Ensure great color prints and uncompromised speed
- Print documents rapidly—up to 30 ppm letter/A4.7
- Get a first page out in as fast as 10 seconds with Instant-on Technology.
- Get consistent print quality automatically on text, images and graphics with HP EasyColor and HP ImageREt.
- Achieve sharp contrast and vivid color with the high-gloss toner in Original HP LaserJet print cartridges.

Count on a printer that is easy to use and manage
- Print from anywhere, anytime, with a smartphone, notebook PC or other mobile device, using HP ePrint.1
- Easily integrate enterprise-ready gigabit networking and robust security options into your printing fleet.
- Supervise printing fleets remotely using intuitive management tools. Control color printing usage and costs.
- Print quickly and easily with walk-up USB. Plus, keep data safe with HP High-Performance Secure Hard Disk.5

Minimize your environmental impact
- Reduce packaging waste with pre-installed toner cartridges—no boxes, wrappers or manuals.
- Reduce environmental impact and use up to 50 percent less paper with two-sided printing.3
- Get free and easy recycling—cartridges returned through HP Planet Partners are recycled responsibly.2
- Reduce the environmental impact of excess shipping materials with HP ClearView packaging.4

1Expected availability late 2010. Requires an Internet connection to the printer. Feature works with any Internet- and e-mail-capable device and may require a firmware upgrade. For details, www.hp.com/go/ePrintCenter. Program availability varies. HP print cartridge return and recycling is currently available in more than 49 countries, territories and regions in Asia, Europe, and North and South America through the HP Planet Partners program. For more information, visit: www.hp.com/recycle. 2Automatic two-sided printing is available on the dn and xh model only. 3HP ClearView Packaging is available on the hx model only. 4Optional 500-sheet paper tray and 3x500-sheet paper tray are available and sold separately for the n and dn models. 5Optional 500-sheet paper tray and 3x500-sheet paper tray are available and sold separately for the n and dn models. 6Measured using ISO/IEC 24734, excludes first set of test documents. For more information see http://www.hp.com/go/printerclaims. Exact speed varies depending on the system configuration, software application, driver, and document complexity. 7Energy savings based on HP testing using the ENERGY STAR® program’s Typical Electricity Consumption (TEC) method on HP LaserJet products with Instant-on Technology vs. top competitive models as of March 2009. 8Automatic two-sided printing is available on the dn and xh models only.
HP Color LaserJet Enterprise CP5525 Printer series

1. Intuitive control panel with 4-line color display
2. 300-sheet top output bin
3. One-door access to the easy-to-install print cartridges
4. 100-sheet multipurpose tray recognizes paper sizes up to SRA3
5. 250-sheet tray 2
6. 500-sheet tray 3
7. Three 500-sheet input trays with print stand for 2,350-sheet total input capacity
8. USB 2.0 port for walk-up printing
9. Built-in automatic two-sided printing
10. Hi-Speed USB 2.0 port for direct connection to printer
11. HP Jetdirect 10/100/1000 Ethernet embedded print server
12. 1 GB RAM and an 800 MHz processor
13. 120 GB HP Encrypted High Performance Hard Disk
14. One open EIO slot

TOP FEATURES

Seamlessly integrate this versatile printer into a fleet. Robust management tools ensure productivity, security and smooth, reliable performance. Take advantage of the flexibility to print from anywhere with HP ePrint.¹

Print from anywhere, anytime directly to your HP printer, using a smartphone, notebook or other mobile device.¹ Enable mobile printing on all your company’s networked printers with the HP ePrint Enterprise solution.⁴

Expand your security options and easily integrate enterprise-ready gigabit networking into your printing fleet. Minimize security disruptions and send sensitive business data securely with features such as IPSec, SNMPv3 and HTTPS.

Use HP Web Jetadmin, the industry-leading fleet management tool, to install and manage networked printers. Manage color printing usage and costs with HP Color Access Controls. Use HP Universal Print Driver to give users instant access to many HP print devices. Meet your environmental goals, while boosting your bottom line. HP technology helps you reduce your office’s energy and paper usage. Plus, this printer is designed to use less space and create less packaging waste.

HP products are designed with the environment in mind, limiting the materials used in manufacturing and packaging. Pre-installed, all-in-one cartridges mean no boxes and wrappers. Plus, long-life consumables ensure fewer parts need replacing.

Conserve paper and cut waste—quickly and easily push automatic, two-sided printing to your entire fleet, using HP Web Jetadmin.³

Recycle your print cartridges—it’s free and easy with HP Planet Partners. All Original HP print cartridges returned through Planet Partners are recycled to recover raw materials or energy. HP never resells, resells or sends print cartridges to landfills.²

Get the most out of your printer with HP accessories, supplies, and services.

500-sheet Paper Tray

Improve productivity by increasing total input capacity to up to 850 sheets. Print on a range of paper types in sizes from 5.8 by 8.3 in (148 by 210 mm) to 11.7 by 17 in (297 by 432 mm). Gain media flexibility while decreasing time spent loading paper.

HP Services

Because downtime can have serious business consequences, HP provides high-quality services that extend beyond the standard warranty and help you avoid unbudgeted repair costs. Benefits include reduced printing and infrastructure costs, maximized uptime, expert technical phone support, and predictable, consistent service delivery—even across multiple locations.

Recommended services:

• **Same Day Onsite Service**: An HP technician or authorized service provider arrives at your site within four hours after the service call is received, if this time falls within the coverage window
• **Next Day Onsite Service**: Technician delivered onsite service the next business day after the service call is received

These services and additional coverage options can be purchased as:

• **HP Care Pack Services**: easy-to-buy, easy-to-use support packages
• **HP Contractual Services**: a comprehensive portfolio for maintaining maximum IT availability

¹Measured using ISO/IEC 24734, excludes first set of test documents. For more information see http://www.hp.com/go/printerclaims. Exact speed varies depending on the system configuration, software application, driver, and document complexity. HP recommends that the number of printed pages per month be within the stated range for optimum device performance, based on factors including supplies replacement intervals and device life over an extended warranty period. Duty cycle is defined as the maximum number of pages per month of imaged output. This value provides a comparison of product robustness in relation to other HP laserjet or HP Color LaserJet devices, and enables appropriate deployment of printers and MFPs to satisfy the demands of connected individuals or groups. Declared per ISO 9296 and 7779; values are subject to change. Configuration tested: HP Color LaserJet CP5525xh, printing at 30 ppm on A4 paper. HP SureSupply alerts you when your print cartridge is running low and helps you purchase online or locally through HP or a participating retailer. Only available with Original HP supplies; Internet access required. To learn more, visit http://www.hp.com/go/SureSupply.

2One year, next-day, on-site warranty. To learn more, visit: www.hp.com/go/SureSupply.
