PRINT *with* THE PLANET *in* MIND

Choose the HP Deskjet 3050 All-in-One.

Designed with the environment in mind,
designed to fit your lifestyle.

Introducing the HP Deskjet 3050 All-in-One printer, made with 35% recycled plastic.

This ENERGY STAR® qualified device brings affordable wireless all-in-one performance into your home, so everyone in the family can print, copy, and scan with ease from any room in the house.¹ Create and share everyday documents, Web pages, and homework in a snap, while you save energy and conserve resources.

Less waste— right down to the packaging

As part of HP's commitment to the environment, we strive to reduce packaging to minimize waste and clutter. 99% of the packaging materials for the HP Deskjet 3050 AiO can be reused or recycled, including an attractive reusable bag.²

HP Deskjet 3050 All-in-One printer

Better for the environment	Better for you

HP Eco Solutions

The HP Deskjet 3050 AiO is an HP Eco Solution product and is a result of HP's commitment to design for the environment. HP Eco Solutions focuses on reducing our environmental footprint and helping you reduce yours.

In addition to product design, HP Eco Solutions includes company-wide innovation in:

- » Energy efficiency
- » Resource conservation
- » Reuse and recycling

CLOSE THE LOOP BY CHOOSING HP

Our closed loop process for recycling and producing printer cartridges—an industry first—uses recycled plastics in the production of new HP ink cartridges, while never compromising quality. **No HP print cartridges returned through the HP Planet Partners program are sent to a landfill.**

HP makes recycling easy—and free.³ Get detailed instructions at www.hp.com/recycle

A portfolio designed with the environment in mind
