

DARREN PODRABSKY
Marketing Manager
HP Visual Collaboration

HEWLETT-PACKARD COMPANY

Darren Podrabsky is worldwide Marketing Manager for the HP Visual Collaboration business. In this role, he focuses on channel programs, demo programs and events strategy.

Podrabsky brings more than fifteen years of marketing experience at HP to this position. Prior to this assignment, Podrabsky served in a variety of marketing and business strategy functions at HP, including worldwide category manager for Digital Projection Systems. Podrabsky also has served as a future product manager and current product manager in the Inkjet Business Unit.

Prior to his marketing roles, Podrabsky was a Senior Buyer and Business Process Analyst.
