

## HP Photosmart Plus e-All-in-One

---

### Overview

The HP Photosmart Plus e-All-in-One is a complete print, scan and copy solution that allows consumers to wirelessly print lab-quality photos and everyday documents and creative projects affordably from anywhere, at any time using [HP ePrint](#).<sup>(1)</sup> As part of HP's web-based printing platform, the printer features apps that are easily accessible through the 3.5-inch HP TouchSmart screen and enable easy printing of coupons, recipes, greeting cards and more – all without turning on a PC.<sup>(2)</sup> Building on HP's lineup of web-connected printers, the HP Photosmart Plus e-All-in-One is powered by touch and empowered by the web.

HP ePrint changes the printing landscape by giving consumers the freedom to send emails, everyday documents and photos to their printer from any mobile device, including HP iPAQ, BlackBerry®, iPad or a notebook PC.<sup>(1)</sup> HP ePrint and integrated wireless keeps users connected on the go.<sup>(1,3)</sup>

This ENERGY STAR® qualified e-All-in-One reduces packaging waste by shipping in a reusable bag.

### Key features and benefits

- HP ePrint and built-in wireless connectivity offer the convenience of printing anytime and anywhere – whether it's across town or across the room.<sup>(1)</sup>
- Access apps via the printer's HP TouchSmart screen or online at the [HP ePrintCenter](#), the destination for virtually every printing need.<sup>(2)</sup>
- Wirelessly print from a smartphone anywhere, anytime using HP mobile printing applications. Details on compatible devices are available at [www.hp.com/go/mobile-printing-solutions](http://www.hp.com/go/mobile-printing-solutions).
- Use the full-featured HP TouchSmart screen to rotate and crop, adjust brightness and apply color effects before printing – all without a PC.
- Print fun and useful templates such as calendars and notebook paper as well as games including Sudoku by touching Quick Forms on the HP TouchSmart screen.<sup>(2)</sup>
- Print compelling, borderless photos from smartphones<sup>(8)</sup> using [HP iPrint Photo](#) – the first free photo printing application of its kind. Available on top smartphone platforms including Apple's App Store on iPhone and iPod touch, Windows Mobile® via the Windows Marketplace store, Symbian via the Nokia OVI store, and Android via the Android Market. Quickly and simply set up on a wireless network with the touch of a button, and enjoy the freedom to print from

virtually anywhere in the home.<sup>(7)</sup>

- Ideal for users that want an affordable way to create impressive photo projects, photo books, calendars, keepsakes and more – directly from the desktop or the web – using HP Photo Creations software or [Snapfish by HP](#).<sup>(2)</sup>
- Use the auto-engaging photo tray to easily print lab-quality, smudge-resistant photos that last generations on HP Advanced Photo Paper.<sup>(4)</sup>
- Get up to three times more black printed pages and 2.5 times more color printed pages when using optional high-capacity cartridges.<sup>(6)</sup> Replace each cartridge separately when needed with affordable individual inks.
- ENERGY STAR qualified – more than 30 percent more energy efficient than standard models, helping to save money and reduce environmental impact.
- Identify features that reduce environmental impact with the [HP Eco Highlights label](#) and enjoy convenient and responsible ink cartridge recycling at no additional cost through [HP Planet Partners](#).<sup>(9)</sup>
- All HP products are backed by HP Total Care, HP's award-winning service, solutions and support, both in and out of warranty.
