

HP Photosmart Premium e-All-in-One

Overview

The HP Photosmart Premium e-All-in-One is HP's leading web-connected printer offering top-of-the-line consumer printing solutions. The printer provides direct access to the web via customizable apps to wirelessly print favorite web content.⁽¹⁾ Users also can print everyday documents and lab-quality photos from anywhere, at any time using HP ePrint.⁽²⁾

Touch the intuitive 4.3-inch HP TouchSmart screen to easily interact with a variety of customizable apps and printing options.⁽¹⁾ The large screen, with intuitive touch technology, allows consumers to print a variety of web content, including maps, movie tickets, news stories and photos.⁽¹⁾

HP ePrint and built-in wireless connectivity offer the convenience of printing anytime and anywhere – whether it's across town or across the room.⁽²⁾ HP ePrint enables consumers to print the way they live by simply sending their desired prints – emails, documents and photos – directly to the HP Photosmart Premium e-All-in-One from any mobile device including an HP iPAQ, BlackBerry®, notebook PC or iPad.⁽²⁾

Designed with the environment in mind, this ENERGY STAR® qualified e-All-in-One conserves more energy compared with using standard models and ships in a reusable tote.

Key features and benefits

- Access apps via the printer's HP TouchSmart screen or online at [HP ePrintCenter](#), the destination for virtually everything printing related.
- Wirelessly print from a smartphone anywhere, anytime using HP mobile printing applications. Details on compatible devices are available at www.hp.com/go/mobile-printing-solutions.
- Create fun and useful templates such as calendars, notebook paper, music paper and games by touching Quick Forms on the HP TouchSmart screen.⁽¹⁾
- Print compelling, borderless photos from smartphones⁽⁵⁾ using [HP iPrint Photo](#) – the first photo printing application of its kind. Available on top smartphone platforms including Apple's App Store on iPhone and iPod touch, Windows Mobile® via the Windows Marketplace store, Symbian via the Nokia OVI

store, and Android via the Android Market.

- Quickly and simply set up the printer on a wireless network with the touch of a button⁽⁴⁾ and enjoy the freedom to print from virtually anywhere in the home.⁽³⁾
- Ideal for users that want an innovative and convenient way to print web favorites, lab-quality photos and creative projects, photo books, calendars, keepsakes and more – directly from the desktop or the web – using HP Photo Creations software or [Snapfish by HP](#).⁽¹⁾
- Get up to three times more black printed pages and 2.5 times more color printed pages, using optional high-capacity cartridges.⁽⁶⁾ Replace each cartridge separately when needed with affordable individual inks.
- ENERGY STAR qualified – more than 30 percent more energy efficient than standard models, helping to save money and reduce environmental impact.
- Identify features that reduce environmental impact with the [HP Eco Highlights label](#) and enjoy convenient and responsible ink cartridge recycling at no additional cost through [HP Planet Partners](#).⁽⁸⁾
- All HP products are backed by HP Total Care, HP's award-winning service, solutions and support, both in and out of warranty.
