

DAVE ROBERSON
General Manager and Senior Vice President, StorageWorks Division
HP Enterprise Business

HEWLETT-PACKARD COMPANY

David E. Roberson is senior vice president and general manager of HP StorageWorks Division and is responsible for building on the company's foundation as a leading provider of storage solutions and pursuing new opportunities for growth worldwide.

Prior to his current role, Roberson was CEO of Hitachi Data Systems (HDS) after serving as president and chief operating officer and spending 26 years in key executive management positions there. During his tenure as CEO, Roberson led HDS as it evolved into a leading global storage solutions company. He was also instrumental in building the company's global channel and securing business partnerships.

Roberson has also served as a board member of several public and private companies, spanning semiconductors to IT services. He currently serves as a board member of International Game Technology (IGT.)

Roberson received a bachelor's degree in social ecology from the University of California at Irvine, and a law degree from Golden Gate University School of Law in San Francisco. He also studied financial management at Harvard Business School.
