

Wolfgang Wittmer

Senior Vice President and Acting General Manager
Enterprise Servers, Storage and Networking, Asia
Pacific and Japan
Hewlett-Packard Company

Wolfgang Wittmer is senior vice president and acting general manager for Enterprise Servers, Storage and Networking in Asia Pacific and Japan at HP.

Wittmer began his career as an electronic engineer for mobile telecommunication equipment, and he later worked with the United Nations' International Atomic Energy Agency, where he was responsible for various international research and development programs in nuclear low-level counting and nuclear safeguards.

Wittmer has more than 30 years of experience in the IT industry. He has held senior management positions in Europe, the Middle East and Africa with HP and DEC.

Wittmer holds a degree in electronics and high frequency engineering and completed postgraduate studies at IMD in Switzerland.
