## HP Officejet Pro All-in-one Series: Recommend it with Confidence

Guide your customers to the right decision. Ask them what matters most:

**If your customer is seeking a relatively low initial purchase price and low cost-per-page**, they should consider the HP Officejet Pro Series, designed for professional laser-quality output with low cost-per-page, up to 50% lower than color lasers.<sup>1</sup>

**If your customer is interested in laser color printers and not primarily concerned with purchase price**, consider the professional color laser printing performance of an HP LaserJet.
