

# HP LaserJet Enterprise 600 M600 Printer Series

---

## Overview

Designed to support medium to large workgroups with high-volume print needs, the HP LaserJet Enterprise 600 M600 printer series delivers advances in productivity, manageability and security without compromising quality. Businesses can increase efficiency and improve document workflow processes with several management tools, including HP FutureSmart Firmware, which simplifies the process of deploying customized HP and third-party document management solutions.<sup>(1)</sup>

Hewlett-Packard Company  
3000 Hanover Street  
Palo Alto, CA 94304

The HP LaserJet Enterprise 600 M600 printer series is ENERGY STAR® qualified and comes equipped with Auto-On/Auto-Off technology – which turns the printer on when it's needed and off when it's not – and reduced sound emissions for a more tranquil work environment.

## Key features and benefits

- Produce consistently high-quality monochrome prints at speeds of up to 62 pages per minute (ppm)<sup>(2)</sup> and a monthly print volume of 5,000 to 20,000 pages.<sup>(3)</sup>
- Meet high-volume printing demands with a 500-sheet-capacity tray and 100-sheet multipurpose tray; upgrade the printer as business grows with a host of optional tools and accessories, including additional 500 sheet or 1,500 sheet input trays.<sup>(4)</sup>
- Protect and secure business-critical information with advanced security features such as:
  - 10-key keypad for secure pull printing and PIN authentication<sup>(5)</sup>
  - Hardware Integration Pocket,<sup>(6, 7)</sup> which allows users to connect and house security card swipe and authentication devices
  - HP High-Performance Secure Hard Disk to protect information stored for printing; data remains encrypted even if someone

removes the hard drive<sup>(8)</sup>

- Access and manage print jobs with an easy-to-use four-line graphical color display control panel and walk-up USB 2.0 printing.<sup>(9)</sup>
- Easily handle complex jobs with an 800 MHz processor, up to 1 GB of expandable memory and an optional high-capacity hard drive.<sup>(6)</sup>
- Improved noise reduction with added insulation and hardware redesign that dampens sound for reduced emissions of 2-3 Db.
- Maximize productivity with fast, trouble-free printing using Original HP print cartridges, uniquely formulated to provide the quality and reliability every business wants.
- Easy to use and maintain with HP Embedded Web Server and [HP Web Jetadmin](#).
- [HP Universal Print Driver](#) saves IT managers time and money by offering a single, full-featured driver that supports HP's entire line of new network printers.
- Part of the [HP Eco Solutions program](#) and carries the HP Eco Highlights label, which makes it easy to identify features that help reduce their environmental impact.
