

Executive Biography

Sean R. Kinney

Director, Product Marketing, Storage
Hewlett-Packard Company

Sean Kinney is director of Product Marketing for the Storage organization at HP.

Kinney, considered an expert in data protection, has spent 15 years in the storage industry in numerous marketing and product management positions. He began his HP tenure leading the StoreOnce business.

Prior to HP, Kinney was vice president of cloud services for Acronis Inc. and spent 10 years at EMC Corporation rising from product manager to director.

Kinney holds a Bachelor of Arts in economics from Dartmouth College and a Master of Business Administration from the University of Michigan, Ross School of Business.
