

## Executive Biography

# Nicole Eagan

Chief Marketing Officer, Autonomy  
Hewlett-Packard Company

---

Nicole Eagan is chief marketing officer for Autonomy, an HP Company, and senior vice president of Information Management at HP. In this role, she is responsible for pan-HP positioning for Information Optimization. She also is responsible for HP's market leadership role in Human Information, a fundamental shift in the IT industry.

Prior to joining Autonomy, Eagan served as senior vice president of Marketing and chief marketing officer for Peregrine, Qesst Software and Verity. She also held senior marketing, strategy and business development positions at Oracle Corporation.

Eagan holds a Bachelor of Science from Montclair University.
