

Executive Biography

Thomas Ryan

Vice President, Marketplace and Ecosystem, Cloud Services
Hewlett-Packard Company

Thomas Ryan is vice president of Marketplace and Ecosystem for [HP Cloud Services](#). In this role, he leads the development and management of the marketplace initiatives, as well as the expansion of ecosystem programs, for HP Cloud Services.

Ryan is a seasoned technology executive with more than 25 years of experience in software engineering management, product development and web-based service delivery. In his most recent role, he served as the vice president for Mobile Strategy and HP Labs collaboration as part of the chief technology officer's office.

Previously, Ryan led pan-HP global strategy and collaboration for HP webOS. Earlier, he was on the Personal Systems Group leadership team for Emerging Platforms and also held leadership positions at other companies, including Amazon, Apple and Bell Labs.

Ryan holds a bachelor's degree in engineering from the University of Michigan, Ann Arbor, and a master's degree in computer science from the Stevens Institute of Technology.
