

## Fact Sheet

# HP LaserJet Enterprise flow MFP M830 and HP Color LaserJet Enterprise flow MFP M880

---

Designed to support enterprise organizations, the HP LaserJet Enterprise flow MFP M830 and the HP Color LaserJet Enterprise flow MFP M880 simplify mobile printing with touch-to-print with near field communications (NFC) technology while also streamlining digital and paper processes to accelerate business workflows for enterprise customers.

With these Flow MFPs, enterprise customers are able to:

- Print, copy, scan and fax from one easy-to-use device, eliminating the expense of multiple single-function devices
- Print from smartphones or tablets from virtually anywhere using wireless direct, touch-to-print and HP ePrint<sup>(1)</sup> or AirPrint
- Rest assured that their corporate network and content is secure with 128-bit SSL encryption of files and optional PIN user authentication for mobile print jobs
- Scan to Sharepoint, network folder or email functionality directly from the device
- Improve workflow by managing jobs directly at the device, using the easy-to-use color touchscreen controls to preview, edit and digitally send documents
- Produce high-quality printing jobs with finishing options including a 2-bin stapler/stacker, booklet marker and hole punch output options
- Easily manage and scale with HP FutureSmart 3.0 firmware, Open Extensibility Platform, Universal Print Driver<sup>(2)</sup>, Web Jetadmin and Hardware Integration Pocket<sup>(3)</sup>
- Save energy when printing with HP Auto-On/Auto-Off technology<sup>(4)</sup>, a <1 watt energy save mode and Energy Star compliant rating
- Utilize time-saving features including the eight-inch touchscreen control panel, pull-out keyboard<sup>(5)</sup> and dual-sided scanning<sup>(6)</sup>

### Pricing and availability<sup>(7)</sup>

The HP LaserJet Enterprise flow MFP M830 will be available worldwide October 1, 2013 and pricing options range between \$10,999 and \$11,999. The HP Color LaserJet Enterprise flow MFP M880 will be available worldwide on November 1, 2013 and pricing options range between \$8,999 and \$9,299.

(1) Local printing requires mobile device and printer to be on the same network or have a direct wireless connection to printer. Wireless performance is dependent upon physical environment and distance from access point. Wireless operations are compatible with 2.4 GHz operations only. Remote printing requires an internet connection to an HP web-connected printer. App or software and HP ePrint account registration may also be required. Wireless broadband use requires separately purchased service contract for mobile

devices. Check with service provider for coverage and availability in your area. See [www.hp.com/go/mobileprinting](http://www.hp.com/go/mobileprinting) for more details.

- (2) The HP Universal Print Driver is free and can be downloaded at [hp.com/go/upd](http://hp.com/go/upd).
- (3) Solutions deployed through the Hardware Integration Pocket may require additional purchase.
- (4) HP Auto-On and Auto-Off Technology are subject to printer and settings. Instant-on Technology claim based on comparison with products that use traditional fusing.
- (5) Pull-out keyboards only available on M830 and M880.
- (6) Dual-sided scanning only available on M830 and M880.
- (7) Estimated U.S. street prices. Actual prices may vary.
