HP 240 Notebook PC

Our value-priced notebook PC with business rugged construction and powerful essentials ideal for every day computing on the go.

HP recommends Windows.

Built for mobile use

For professionals on the move, the HP 240 features durable casing that helps protect against the rigors of day.

Impact and bumps happen. HP 3D DriveGuard helps protect your data when you're on the go by sensing sudden movement and protecting the hard drive.[17]

Starting at 5.28lb/2.4 kg, you can easily carry the HP 240 from meeting to meeting. Enjoy great views on the 14.0-inch diagonal HD[2] display without sacrificing portability. Choose between a BrightView or AntiGlare[18] display.

Powered for business

Multitask with more speed thanks to the latest Intel i3 and i5 dual core processors.[3]

Develop stunning visuals without slowing down your notebook with Intel's integrated graphics, or choose optional discrete graphics[18] for more intense applications.

Get more done with enterprise-level enhancements from HP and Windows 8.[13]

Connect with colleagues online. Email from the office or from your favorite hotspots with Wi-Fi CERTIFIED™ WLAN.[1]

From trainings to sales presentations, view high-quality multimedia and audio directly from your notebook with preinstalled software and the built-in Altec Lansing speaker.

Make an impact with presentations when you connect to larger, HD[2] displays[4] through the HDMI port.[5]

Designed for productivity

SPECIFICATIONS

Operating system	Preinstalled: Windows 8 64[13] Windows 8 Pro 64[13] Ubuntu Linux FreeDOS 2.0
Processor	3rd Generation Intel® Core™ i3 and i5[3]; 2nd Generation Intel® Core™ i3 and i5[3]; Intel® Pentium® [3]; Intel® Celeron® [3]
Chipset	Mobile Intel® HM70 Express (Intel® Pentium® and Celeron® processors) Mobile Intel® HM75 Express (Intel® Core™ i3 and i5 processor)
Memory	DDR3 SDRAM (1600 MHz) or DDR3/3L SDRAM (1600 MHz)[6] Two slots supporting dual channel memory 2048/4096 MB SODIMMs, up to 6144 MB total[7, 8]
Internal Storage[9]	320/500/640/750 GB 5400 rpm SATA HDD
Removable Storage	Fixed 12.7 mm SATA optical drive: DVD+/–RW SuperMulti DL Drive[10], Weight saver
Display	14.0"diagonal LED-backlit HD[2] anti-glare (1366 x 768) 14.0"diagonal LED-backlit HD[2] bright view (1366 x 768)
Graphics	Integrated: Intel® HD Graphics (Intel® Pentium® or Intel® Celeron® processor) Intel® HD Graphics 3000 (2nd Generation Intel® Core™ i3 and i5 processor) Intel® HD Graphics 4000 (3rd Generation Intel® Core™ i3 and i5 processor) Discrete: AMD Radeon™ HD 7450M Graphics with 1024MB of dedicated video memory (Switchable Graphics)
Audio/Visual	High Definition Audio, stereo speaker, stereo headphone/line out, stereo microphone in, integrated microphone, integrated HD[2] Webcam[1]
Wireless Support	Qualcomm 802.11 b/g/n (1x1) wireless LAN module[1] Optional: Ralink 802.11 b/g/n (1x1) + Bluetooth™ 4.0 combo[1,4,12], 802.11b/g/n (1x1), Bluetooth™ 2.1[1,4,11] or Bluetooth™ 4.0 + High Speed (HS)[1,4,12]
Communications	Realtek Ethernet (10/100/1000 NIC)
Ports and Connectors	3 USB 2.0 ports; 1 VGA; 1 HDMI[5]; 1 microphone in; 1 headphone/line out; 1 power connector; 1 RJ-45 (Ethernet)
Expansion Slots	Digital Media slot supports SD (Secure Digital) and MMC (MultiMedia Card)
Input Device	Industry standard keyboard with full pitch key layout, touchpad with multi-touch gestures support
Software (Windows OS only)	Buy Office, Recovery Manager Installer, Cyberlink, Youcam DE, Cyberlink Power DVD (available on select models), Symantec Norton ™ Internet Security 2013,[14] Getting Started (Windows 8)
Security	Security Lock slot Optional: Computrace Software[4,6]
Dimensions (w x d x h)	13.46 x 9.09 x 1.40 in 34.2 x 23.1 x 3.55 cm
Weight	Starting at 4.85 lb/2.0 kg Weight will vary by configuration.
Power	6-cell (47 WHr) Lithium-Ion battery, 65WHP AC Adapter(UMA), 90W HP AC Adapter(discrete) ,HP Fast Charge [4,15]
Expansion Solutions	Optional: HP USB 3.0 Port Replicator[4] ;HP USB 2.0 Port Replicator[4]
Warranty	Limited 1 year, 1 year limited warranty on primary battery. Optional HP Care Pack Services[4,16] are extended service contracts which go beyond your standard warranties. For more details visit: http://www.hp.com/go/cpc.

Windows 8 Pro[13]

HD[2] Webcam[1]

14.0" diagonal HD[2]
anti-glare or bright view display

Touchpad with scroll
zone

HDMI[5] port
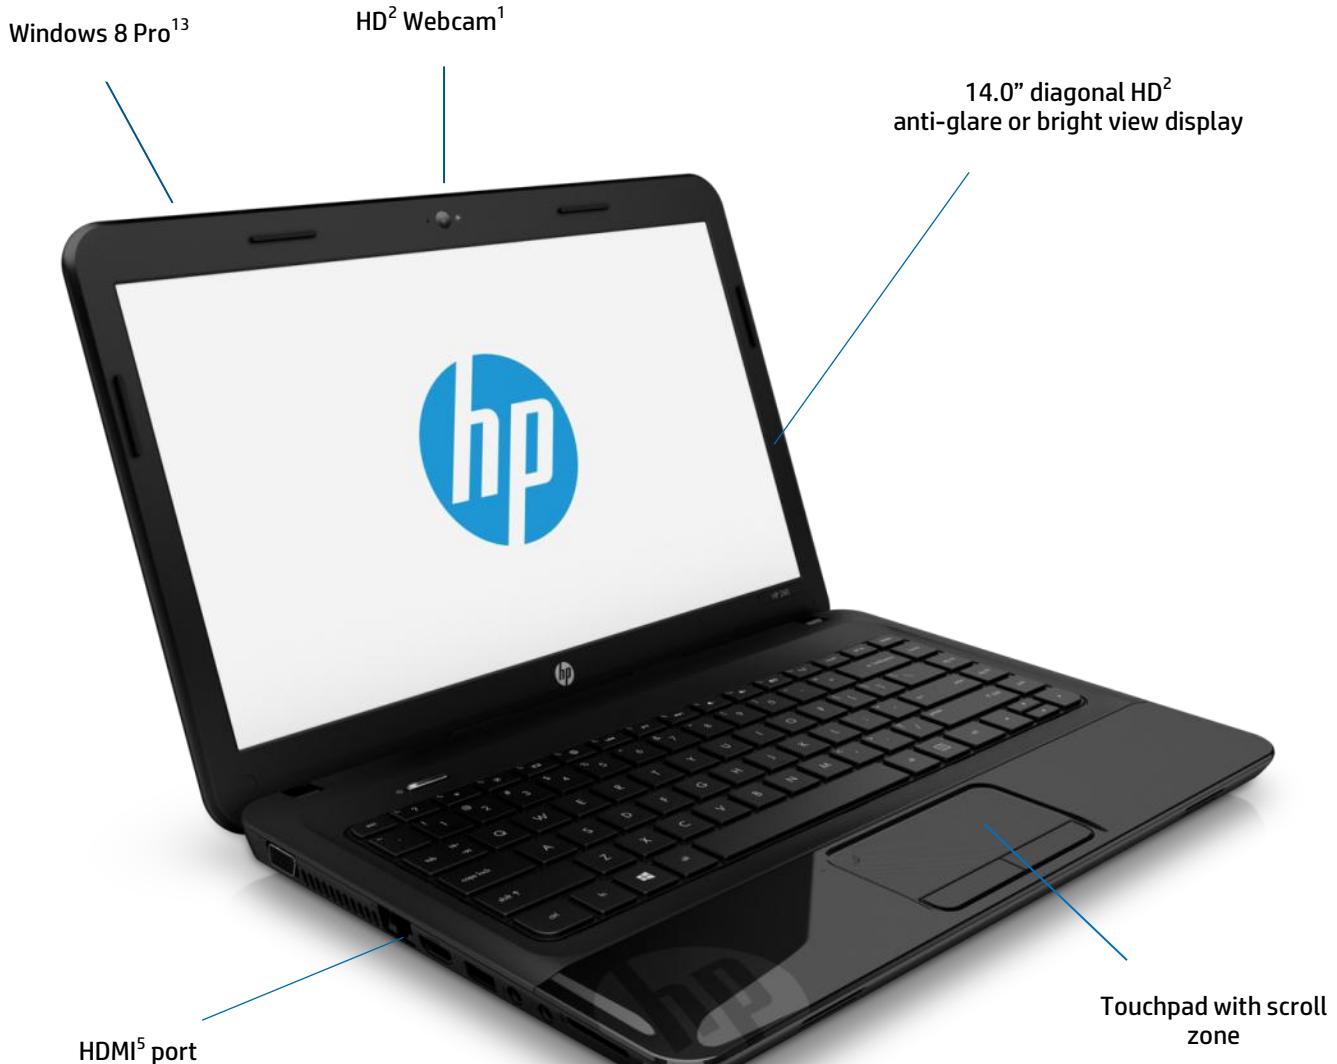

1. Wireless access point and Internet service required and sold separately. Availability of public wireless access points limited.
2. HD content required to view HD images.
3. Multi—Core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. 64—bit computing on Intel® architecture requires a computer system with a processor, chipset, BIOS, operating system, device drivers, and applications enabled for Intel® 64 architecture. Processors will not operate (including 32—bit operation) without an Intel® 64 architecture—enabled BIOS. Performance will vary depending on your hardware and software configurations. Intel's numbering is not a measurement of higher performance. The 3rd Generation Intel® Core™ i5—3230M , 3rd Generation Intel® Core™ i3—3130M and the Intel® Pentium® 2030M are not certified for Windows 7.
4. Sold separately or as an optional feature.
5. HDMI cable sold separately.
6. Computrace® agent is shipped turned off, and must be activated by customers when they purchase a subscription. Subscriptions can be purchased for terms ranging from one to five years. Service is limited, check with Absolute for availability outside the U.S.
7. Maximized dual—channel performance requires SODIMMs of the same size and speed in both memory slots.
8. Maximum memory capacities assume Windows 64—bit operating systems or Linux. With Windows 32—bit operating systems, memory above 3 GB may not all be available due to system resource requirements.
9. For hard drives, GB = 1 billion bytes. Actual formatted capacity is less. Up to 36 GB (for Windows 8) of system disk is reserved for the system recovery software.
10. Double—layer discs can store more data than single layer discs. However, double—layer discs burned with this drive may not be compatible with many existing single—layer DVD drives and players. Note that DVD—RAM cannot read or write to 2.6 GB single—sided/5.2 GB double—sided — version 1.0 media. Don't copy copy—right protected materials.
11. Bluetooth™ 2.1 is available with Linux operating system.
12. Bluetooth™ 4.0 is available with Windows 8 operating system only.
13. Not all features are available in all editions of Windows 8. Systems may require upgraded and/or separately purchased hardware, drivers and/or software to take full advantage of Windows 8 functionality. See http://www.microsoft.com for details.
14. Internet access required. This product includes Norton software. First 60 days included. Subscription required for live updates afterward.
15. HP Fast Charge recharges your primary battery up to 90% within 90 minutes when the system is off. Fast Charge does not apply to the 9—cell battery.
16. Service levels and response times for HP Care Packs may vary depending on your geographic location. Restrictions and limitations apply. Service starts at date of hardware purchase. For details, visit www.hp.com/go/cpc.
17. Windows required.
18. Features vary by regions.
