

Fact Sheet

HP LaserJet Pro MFP M521 Series

Designed to support organizations of all sizes, the HP LaserJet Pro multifunction printer (MFP) M521 series is ideal for producing, scanning and sharing high-quality documents.

Organizations can finish high-volume jobs more quickly with print speeds of up to 42 pages per minute (ppm)⁽¹⁾ and automatic two-sided printing. Additionally, single-pass, dual-sided scanning simplifies and speeds document workflow processes. Users can scan documents and send files to email, the cloud, network folders or a USB drive in one step.

With the HP LaserJet Pro MFP M521 series, SMB and enterprise customers are able to:

- Print, copy, scan and fax from one easy-to-use device, eliminating the expense of multiple single-function devices
- Save time by accessing key business applications, such as HP Flow CM Professional and Shoeboxed receipt and business card scanning, directly from the device via HP Connected⁽²⁾
- Boost productivity and reload paper less often with standard 600-sheet paper capacity and optional 500-sheet paper tray
- Improve workflow by managing jobs directly at the device, using the easy-to-use color touchscreen controls to preview, edit and digitally send documents
- Easily print hard copy documents for review, sharing and presenting by printing from smartphones and tablets from virtually anywhere using HP ePrint, AirPrint or DirectPrint
- Reduce energy use with Auto-On/Auto-Off and Instant-on Technology⁽³⁾
- Conserve paper resources and save energy with HP EcoSMART Console and automatic two-sided printing
- Eliminate downtime and start right away with HP Smart Install⁽⁴⁾

Pricing and availability⁽⁵⁾

The HP LaserJet Pro M521 series is available worldwide.

- Pricing for the HP LaserJet Pro MFP M521 4:1 DN is \$899
- Pricing for the HP LaserJet Pro MFP M521 4:1 Wireless is \$999.

(1) Printing speed measured using ISO/IEC 24734 and excludes first set of test documents. Additional information is available at hp.com/go/printerclaims. Exact speed varies depending on the system configuration, software application, driver and document complexity. First page out exact speed varies depending on the system configuration, software program, document complexity, network, media width, media weight, environment and job size.

- (2) Requires an internet connection to the printer. Feature works with any connected Internet- and email-capable device. Requires HP Web Services Account Registration. Print times may vary. A list of supported documents and image types is available at <http://www.hpconnected.com>. A list of additional solutions is available at <http://www.hp.com/go/mobile-printing-solutions>.
- (3) HP Auto-On and Auto-Off Technology are subject to printer and settings. Instant-on Technology claim based on comparison with products that use traditional fusing.
- (4) HP Smart Install works with Microsoft Windows® only.
- (5) Estimated U.S. street prices. Actual prices may vary.
