

## Executive Biography

### **Mohan Krishnan**

Vice President and General Manager, Technology Consulting,  
Technology Services, Enterprise Group  
Hewlett-Packard Asia Pacific and Japan

---

Mohan Krishnan is vice president and general manager for Technology Consulting, Technology Services in Asia Pacific & Japan (APJ). His primary responsibility is to drive the profitable growth of the HP Technology Consulting business in APJ.

Krishnan has been with HP for more than 15 years and currently manages the Services teams that implement a broad portfolio of Technology Consulting services, including cloud computing, client infrastructure services and data centre transformation solutions. He also works with the country teams to help maintain and grow partner and alliance relationships.

Krishnan is also a freelance writer and a speaker at various business forums. He is an Advisory Council Member of the Help Desk Institute of Singapore, representing the industry and providing inputs on emerging trends and technologies in the Customer Relationship Management world. He is on the board of Brinjal.com, a company providing value-added services to new companies in Asia. Krishnan is also an Associate Member of TIE Singapore, a global network of entrepreneurs.

Krishnan is a management accountant from the United Kingdom, a chartered accountant from India as well as a member of the CPA Institute of Singapore. He has diverse industry experience, having worked in MNCs like Guest Keen Nettlefolds and Unilever before joining the technology industry.
