Executive Biography

George Paolini

Vice President, Marketing, Cloud Services
Hewlett-Packard Company

George Paolini is vice president of Marketing for HP Cloud Services. In this role, he is responsible for all aspects of marketing across the division.

Prior to joining HP, Paolini was vice president of Solutions Marketing at Avaya, where he launched the company's first tablet-based phone application and established a solutions marketing organization in support of the company's transition from point products to solutions-based selling.

Paolini has 20 years of experience in Silicon Valley, having held key marketing and leadership roles at a number of companies, including Sun Microsystems, Borland and SAP. Prior to his career in technology, Paolini was a journalist with a variety of daily newspapers in the San Francisco area.
