

## Executive Biography

# Michael Callahan

Vice President, Product and Solution Marketing,  
Enterprise Security Products  
Hewlett-Packard Company

---

Michael Callahan is the vice president of Product Marketing in the HP Enterprise Security Products division at HP.

Callahan brings more than 18 years of security marketing experience to HP. Most recently he served as vice president of marketing at TippingPoint where he oversaw the acquisition by HP.

Prior to joining TippingPoint, he served as vice president and chief marketing officer for CREDANT Technologies, where he was responsible for all marketing activities, including redefining product strategy and corporate vision.

Before CREDANT, Callahan served as president and chief operating officer of NoodleNet, a firm focused on delivering a safe desktop and online environment for children. Prior to NoodleNet, Callahan spent seven years with McAfee, where he was responsible for product, field and corporate marketing initiatives.

Callahan is a notable speaker at industry events and is frequently quoted as an industry expert.

Callahan holds a bachelor's degree in engineering from Ohio State University and a Master of Business Administration from the University of South Carolina.
