

Todd B. Achilles
VP/GM, Consumer Mobility
Printing and Personal Systems

HEWLETT-PACKARD COMPANY

Todd Achilles is VP/GM, Consumer Mobility for HP's Printing and Personal Systems (PPS) business unit. Todd leads both worldwide consumer mobile devices as well as HP's connectivity initiatives -- HP DataPass and HP Mobile Connect. Todd has spent his career in product, engineering, marketing and sales roles within the telecommunications sector, including leadership positions with HTC and T-Mobile.

A former U.S. Army tank officer, Todd holds two U.S. patents, is an American Marshall Memorial Fellow and is Vice Chair of City Year San Jose/Silicon Valley, an education-focused, nonprofit organization that unites young people for a year of service in under-resourced schools.

Todd received his BA from Claremont McKenna College and his MBA and MAIS from the University of Washington.
