

# HP Education Services Course Description

ITIL service manager EXIN exam preparation (h8990s)

This two-day course helps the participant prepare for the EXIN ITIL (IT Infrastructure Library) Service Support and the Service Delivery exams. Passing these two exams leads to the accredited 'Managers Certificate in IT Service Management'. Exam techniques are outlined, the exam case is analyzed in detail and possible problem areas within the case are identified per process. Possible questions are discussed in the group. The participant leaves the course with material to better prepare for the exam.

## Audience

IT Professionals who want assistance with their preparation for the EXIN service management examinations.

## Prerequisites

- The student needs to have passed the ITIL foundation exam from either ISEB or EXIN
- IT Service Support (U8688S) and IT Service Delivery (U8687S)
- ITIL Service Support Book studied (ISBN 0-11-330015-8)
- ITIL Service Delivery Book studied (ISBN 0-11-330017-4)
- Examination Case received and analyzed

## Course Objective

To adequately prepare the participant to take and pass the EXIN Service Support and Service Delivery exams.

## Benefits to You

The exam preparation workshop helps you better prepare for the examinations. An in depth analysis of the case study that is being used on your exam and an indication of possible problem areas in the case will help you focus your studies.
