

# HP Certified Professional Program

## Worldwide Program Guide

### Module 6 – Available Certifications

## Choose the certification that best meets your needs.

The HP Certified Professional Program has more than a hundred certifications covering a broad range of job roles, technologies and topics. This document lists the certifications that are available to attain today. Note that we update our list of certifications frequently, based on the needs of the technology market. It's possible that this document's list can be slightly out of date, so please check The Learning Center for the absolute most up-to-date view of all HP certifications.

Also, please note that all HP certifications are attainable in all countries. However, the required exams or the optional supporting training offered to pass those exams may not be available in all regions/countries. Please consult The Learning Center for the details regarding the specific certifications you are interested in for more information.

## Table of contents – Module 6

### Certifications by Job Role

Sales

Presales Technical

Technical Integration

System Administration

Hardware Support

### Certifications by Product Family

HP BladeSystem products and solutions

Desktops, Workstations and Mobile solutions

Imaging and Printing solutions

Servers

ProCurve Networking

Software

OS Software

Storage solutions

---

## Certifications by Job Role

The sections below identify the available certifications according to various job roles such as sales, integration and systems administration. The certifications within each role are shown in increasing levels of job responsibility. As always, consult The Learning Center for the most accurate and up-to-date list of certifications.

---

### Sales certifications

HP sales certifications provide sales professionals the tools needed to effectively analyze customer business requirements and to successfully position and sell the full HP sales portfolio.

**HP Accredited Sales Professional** – Requires an individual to gather customer business requirements and successfully position and sell HP commercial and enterprise products and services in an engagement with a customer.

The following ASP certifications are available:

- ASP – HP Enterprise Solutions
- ASP – HP ProCurve Networking [2009]
- ASP – ProCurve Networking [2008] (*Note: This certification has been superseded and cannot be acquired after 1 December 2009.*)
- ASP – HP Commercial SMB Solutions [2006]
- ASP – HP Imaging and Printing Solutions [2009]
- ASP – HP Imaging and Printing Supplies [2009]
- ASP – HP Service Sales [2009]
- ASP – HP Service Sales [2008] (*Note: This certification has been superseded and cannot be acquired after 1 December 2009.*)
- ASP – *Specialty in Office Printing* [2008]
- ASP – HP Thin Client Solutions [2008]
- ASP – HP Partner Fundamentals [2010]
- ASP – HP Client Virtualization (Remote Client Solutions) [2009]

**HP Accredited Sales Consultant** – Requires an individual to gather customer business requirements, recognize the opportunities and make recommendations from the HP solutions portfolio that would solve business needs.

The following ASC certifications are available:

- ASC – HP Virtualization Solutions [2010]
- ASC – Selling HP Integrity Server Solutions [2008]
- ASC – HP Superdome Server Solutions [2008]
- ASC – Imaging and Printing Solutions [2009]
- ASC – HP ProCurve Networking [2009]
- ASC – HP Service Sales [2009]
- ASC – HP Service Sales Consultant [2008] *(Note: This certification has been superseded and cannot be acquired after 1 December 2009.)*
- ASC – Specialty in HP StorageWorks XP Solutions [2005]
- ASC – HP Enterprise Storage Solutions [2009]
- ASC – HP BladeSystem [2007]
- ASC – Specialty in Insight Dynamics – VSE

---

## Presales Technical certifications

HP presales certifications equip technical IT professionals with the skills necessary to effectively analyze customer business requirements and plan and design an HP solution, including application, platform, operating system, storage, networking and so on.

**HP Accredited Presales Professional** – Requires an individual to gather customer business requirements, recognize opportunities and make recommendations for a solution (potentially including application, platform, operating system, storage, network and option components) that will solve business needs.

The following APP certifications are available:

- APP – HP Commercial SMB Solutions [2006]
- APP – HP Enterprise Solutions
- APP – HP Imaging and Printing Solutions [2009]

**HP Accredited Presales Consultant** – Requires individuals to gather customer business requirements, recognize the opportunities, and make recommendations from the HP solutions portfolio that would solve business needs.

The following APC certifications are available:

- APC – HP Virtualization Solutions [2010]
- APC – HP StorageWorks Solutions [2009]
- APC – HP Imaging and Printing Solutions [2009]
- APC – HP Integrity Servers [2009]
- APC – *Specialty in HP StorageWorks XP Solutions* [2005]
- APC – HP Insight Dynamics - VSE
- APC – HP ProLiant Server Solutions [2009]
- APC – HP ProLiant Server Solutions [2006] *(Note: This certification has been superseded and cannot be acquired after 1 January 2010.)*
- APC – HP Superdome Server Solutions [2005]

---

## Technical Integration certifications

HP systems integration credentials provide technical IT professionals with the skills needed to design, implement, configure, integrate and support HP solutions given a set of customer business requirements.

**HP Accredited Integration Specialist** - Given a set of customer business requirements, this individual is required to design, support and / or implement a business class solution (potentially including platform, operating system, software, storage, network and option components) to solve business needs.

The following AIS certifications are available:

- AIS – HP Identity Management Software *(Note: This certification has been superseded and cannot be acquired after 1 January 2010.)*
- AIS – HP Operations Support Systems Software
- AIS – HP Network Management Center Software v7
- AIS – HP Operations Center Software v8 for UNIX
- AIS – HP StorageWorks [2008]
- AIS – HP Change and Configuration Management Software [2005] *(Note: This certification has been superseded and cannot be acquired after 1 January 2010.)*
- AIS – HP BladeSystem [2009]

- AIS – HP BladeSystem [2007] (Note: This certification has been superseded and cannot be acquired after 1 February 2010.)
- AIS – ProCurve Networking [2008]
- AIS – HP Service Management Software [2006] (Note: This certification has been superseded and cannot be acquired after 1 January 2010.)
- AIS – HP Integrity BladeSystem [2008]
- AIS – HP ProLiant ML/DL Servers [2007]
- AIS – HP Universal Configuration Management Database v7
- AIS – *Specialty in* Insight Dynamics – VSE
- AIS – Infrastructure Monitoring using HP SiteScope v9
- AIS – HP Integrity Server Systems [2006]
- AIS – HP Performance Center v9
- AIS – HP Performance Insight Software v5.x
- AIS – HP Project and Portfolio Management v7
- AIS – HP Quality Center v9
- AIS – *Specialty in* HP Integrity Server Support [2005]
- AIS – *Specialty in* HP StorageWorks – ProLiant Storage Server Products [2005]
- AIS – HP NonStop Systems
- AIS – HP Business Availability Center v7
- AIS – HP Operations Manager Software v8 for Windows
- AIS – HP Service Manager Implementation v7
- AIS – *Specialty in* HP Data Protector Software [2007]
- AIS – Application Security using HP WebInspect v7
- AIS – HP Thin Client Solutions [2008]
- AIS – Remote Client Solutions [2009]
- AIS – HP Software Testing Foundation v9
- AIS – *Specialty in* HP LeftHand SAN Solutions [2009]
- AIS – HP Network Node Manager-i Software v8

**HP Accredited Systems Engineer** - Given a set of customer business requirements, this individual is required to design, support and / or implement an enterprise level solution (potentially including platform, operating system, software, storage, network and option components) to solve business needs.

The following ASE certifications are available:

- ASE – HP Network Management Center Software v7
- ASE – HP NonStop Systems

- ASE – HP Operations Center Software v8 for UNIX
- ASE – HP Operations Manager Software v8 for Windows
- ASE – HP Performance Center v9
- ASE – HP BladeSystem [2009]
- ASE – HP BladeSystem [2007] *(Note: This certification has been superseded and cannot be acquired after 1 February 2010.)*
- ASE – HP ProLiant ML/DL Servers [2007]
- ASE – HP Quality Center v9
- ASE – HP StorageWorks [2008]
- ASE – ProCurve Network Management [2008]
- ASE – HP ProCurve Networking & Mobility [2009]
- ASE – ProCurve Networking & Mobility [2008] *(Note: This certification has been superseded and cannot be acquired after 1 December 2009.)*
- ASE – ProCurve Networking & WAN Technologies [2008]
- ASE – *Specialty in* HP Data Protector Software [2007]
- ASE – *Specialty in* HP Storage Essentials [2008]
- ASE – *Specialty in* HP StorageWorks Secondary Storage [2008]
- ASE – HP Service Manager Software Design and Tailoring v7
- ASE – Remote Client Solutions [2009]

**HP Master Accredited Systems Engineer** – The flagship credential available from HP, the Master ASE requires an individual to gather customer business requirements, and design, integrate and support a full solution including application, middleware, platform, operating system, storage, network and option components.

The following Master ASE certifications are available:

- Master ASE – HP NonStop Solution Architect [2007]
- Master ASE – HP NonStop Systems Support [2007]
- Master ASE – HP ProLiant High Availability and Clustering Solutions
- Master ASE – HP StorageWorks [2008]
- Master ASE – ProCurve Networking Convergence Specialist [2008]
- Master ASE – ProCurve Networking Secure Mobility Specialist [2008]
- Master ASE – ProCurve Networking Security Specialist [2008]

---

## System Administration certifications

HP credentials in this group offer IT professionals the setup, administration and management skills required to effectively configure and support an IT environment.

**HP Certified Systems Administrator** - This level of certification requires an individual to perform hands-on installation, configuration, administration and support of HP Solutions and/or HP Operating Systems in networked environments.

The following CSA certifications are available:

- CSA – HP OpenVMS v8
- CSA – HP-UX 11i v3

**HP Certified Systems Engineer** - This individual is required to provide hands-on installation, performance optimization, management and support of HP Solutions and/or Operating Systems in complex, enterprise environments.

The following CSE certifications are available:

- CSE – HP OpenVMS v8
- CSE – HP NonStop Kernel
- CSE – *Specialty in High Availability* – HP-UX 11i v3
- CSE – *Specialty in Networking and Security* – HP-UX 11i v3
- CSE – *Specialty in Virtualization* - HP-UX 11i v3

---

## Hardware Support certifications

HP hardware support credentials equip an individual to provide basic hardware support for commercial / business class HP products.

**HP Accredited Platform Specialist** - This individual is required to provide basic hardware support for the purpose of restoring consumer and business class hardware to factory operational levels.

The following APS certifications are available:

- APS – HP BladeSystem [2009]
- APS – HP BladeSystem [2007] (Note: This certification has been superseded and cannot be acquired after 15 November 2009.)
- APS – HP Commercial Desktops, Workstations and Notebooks
- APS – HP Designjet Solutions [2006]
- APS – HP LaserJet Solutions [2006]
- APS – HP ProLiant ML/DL Servers [2007]
- APS – HP ProLiant Storage Server Workgroup Products [2005]
- APS – HP Smart Desktop Service [2005]
- APS – HP StorageWorks MSA1000 and MSA1500 [2005]
- APS – HP StorageWorks MSL Tape Libraries [2006]
- APS – HP StorageWorks Optical Storage (UDO & MO) [2004]
- APS – ProCurve Networking [2008]
- APS – HO Desktops and Workstations (Japan)

---

## Certifications by Product Family

We understand that you may concentrate on a particular product family from HP; for example, ProLiant servers or ProCurve Networking. The lists below identify the available certifications in each of our main product families. These are the same certifications as listed in the job roles above. As always, consult The Learning Center for the most accurate and up-to-date list of certifications.

---

## Certifications pertaining to HP BladeSystem products and solutions

- ASP – HP Service Sales [2009]
- ASC – HP BladeSystem [2007]
- ASC – *Specialty in Insight Dynamics* - VSE
- ASC – HP Virtualization Solutions [2010]
- APP – HP Enterprise Solutions
- APP – HP Commercial SMB Solutions [2006]
- APC – HP Virtualization Solutions [2010]

- AIS – HP BladeSystem [2009]
- AIS – HP BladeSystem [2007] *(Note: This certification has been superseded and cannot be acquired after 1 February 2010.)*
- AIS – HP Integrity BladeSystem [2008]
- AIS – HP Integrity Server Systems [2006]
- ASE – HP BladeSystem [2009]
- ASE – HP BladeSystem [2007] *(Note: This certification has been superseded and cannot be acquired after 1 February 2010.)*
- APS – HP BladeSystem [2009]
- APS – HP BladeSystem [2007] *(Note: This certification has been superseded and cannot be acquired after 15 November 2009.)*

---

## Certifications pertaining to HP Desktops, Workstations and Mobile solutions

- ASP – HP Thin Client Solutions [2008]
- ASP – HP Client Virtualization (Remote Client Solutions) [2009]
- ASP – HP Enterprise Solutions
- ASP – HP Commercial SMB Solutions [2006]
- ASC – HP Virtualization Solutions [2010]
- APP – HP Enterprise Solutions
- APP – HP Commercial SMB Solutions [2006]
- APC – HP Virtualization Solutions [2010]
- APS – HP Commercial Desktops, Workstations and Notebooks
- APS – HP Smart Desktop Service [2005]
- AIS – HP Thin Client Solutions [2008]
- AIS – Remote Client Solutions [2009]
- ASE – Remote Client Solutions [2009]

---

## Certifications pertaining to Imaging and Printing solutions

- ASP – HP Imaging and Printing Solutions [2009]
- ASP – HP Imaging and Printing Supplies [2009]
- ASP – HP Commercial SMB Solutions [2006]
- ASP – *Specialty in Office Printing* [2008]
- ASC – HP Imaging and Printing Solutions [2009]

- APP – HP Imaging and Printing Solutions [2009]
- APP – HP Enterprise Solutions
- APP – HP Commercial SMB Solutions [2006]
- APC – HP Imaging and Printing Solutions [2009]
- APS – HP Designjet Solutions [2006]
- APS – HP LaserJet Solutions [2006]

---

## Certifications pertaining to Servers

- ASP – HP Service Sales [2009]
- ASP – HP Enterprise Solutions
- ASP – HP Commercial SMB Solutions [2006]
- ASC – HP Virtualization Solutions [2010]
- ASC – Selling HP Integrity Server Solutions [2008]
- ASC – *Specialty in* Insight Dynamics - VSE
- ASC – HP Superdome Server Solutions [2008]
- APP – HP Enterprise Solutions
- APP – HP Commercial SMB Solutions [2006]
- APC – HP Virtualization Solutions [2010]
- APC – HP Integrity Servers [2009]
- APC – HP ProLiant Server Solutions [2009]
- APC – HP ProLiant Server Solutions [2006] *(Note: This certification has been superseded and cannot be acquired after 1 January 2010.)*
- APC – HP Superdome Server Solutions [2005]
- AIS – HP Integrity Server Systems [2006]
- AIS – HP ProLiant ML/DL Servers [2007]
- AIS – *Specialty in* HP Integrity Server Support [2005]
- AIS – *Specialty in* HP StorageWorks - ProLiant Storage Server Products [2005]
- ASE – HP ProLiant ML/DL Servers [2007]
- ASE – HP NonStop Systems
- ASE – *Specialty in* HP Integrity Server Support [2005]
- Master ASE – HP ProLiant High Availability and Clustering Solutions
- Master ASE – HP NonStop Solution Architect [2007]
- Master ASE – HP NonStop Systems Support [2007]
- APS – HP ProLiant ML/DL Servers [2007]
- APS – HP ProLiant Storage Server Workgroup Products [2005]

---

## Certifications pertaining to ProCurve Networking

- ASP – HP ProCurve Networking [2009]
- ASP – ProCurve Networking [2008] *(Note: This certification has been superseded and cannot be acquired after 1 December 2009.)*
- ASC – HP ProCurve Networking [2009]
- AIS – ProCurve Networking [2008]
- ASE – HP ProCurve Networking & Mobility [2009]
- ASE – ProCurve Network Management [2008]
- ASE – ProCurve Networking & Mobility [2008] *(Note: This certification has been superseded and cannot be acquired after 1 December 2009.)*
- ASE – ProCurve Networking & WAN Technologies [2008]
- Master ASE – ProCurve Networking Convergence Specialist [2008]
- Master ASE – ProCurve Networking Secure Mobility Specialist [2008]
- Master ASE – ProCurve Networking Security Specialist [2008]
- APS – ProCurve Networking [2008]

---

## Certifications pertaining to Software

- ASC – *Specialty in* Insight Dynamics – VSE
- AIS – HP Operations Manager Software v8 for Windows
- AIS – *Specialty in* HP Data Protector Software [2007]
- AIS – HP Business Availability Center v7
- AIS – HP Change and Configuration Management Software [2005] *(Note: This certification has been superseded and cannot be acquired after 1 January 2010.)*
- AIS – HP Identity Management Software *(Note: This certification has been superseded and cannot be acquired after 1 January 2010.)*
- AIS – HP Network Management Center Software v7
- AIS – HP Operations Center Software v8 for UNIX
- AIS – HP Operations Support Systems Software
- AIS – HP Performance Center v9
- AIS – HP Performance Insight Software v5.x
- AIS – HP Project and Portfolio Management v7
- AIS – HP Quality Center v9
- AIS – HP Service Manager Implementation v7
- AIS – HP Service Management Software [2006] *(Note: This certification has been superseded and cannot be acquired after 1 January 2010.)*
- AIS – HP Universal Configuration Management Database v7

- AIS – Infrastructure Monitoring using HP SiteScope v9
- AIS – Application Security using HP WebInspect v7
- AIS – HP Software Testing Foundation v9
- AIS – HP Network Node Manager-i Software v8
- ASE – HP Operations Manager Software v8 for Windows
- ASE – HP Service Manager Software Design and Tailoring v7
- ASE – HP Network Management Center Software v7
- ASE – HP Operations Center Software v8 for UNIX
- ASE – HP Performance Center v9
- ASE – HP Quality Center v9
- ASE – *Specialty in* HP Data Protector Software [2007]
- ASE – *Specialty in* HP Storage Essentials [2008]

---

- 
- ## Certifications pertaining to Operating System Software

- CSA – HP OpenVMS v8
- CSA – HP-UX 11i v3
- CSE – HP OpenVMS v8
- CSE – *Specialty in* High Availability - HP-UX 11i v3
- CSE – *Specialty in* Networking and Security - HP-UX 11i v3
- CSE – *Specialty in* Virtualization - HP-UX 11i v3
- CSE – HP NonStop Kernel

---

## Certifications pertaining to Storage solutions

- ASP – HP Enterprise Solutions
- ASC – HP Virtualization Solutions [2010]
- ASC – HP Enterprise Storage Solutions [2009]
- ASC – *Specialty in* HP StorageWorks XP Solutions [2005]
- APP – HP Enterprise Solutions
- APP – HP Commercial SMB Solutions [2006]
- APC – HP Virtualization Solutions [2010]
- APC – HP StorageWorks Solutions [2009]
- APC – *Specialty in* HP StorageWorks XP Solutions [2005]
- AIS – HP StorageWorks [2008]
- AIS – *Specialty in* HP Data Protector Software [2007]

- AIS – *Specialty in HP StorageWorks - ProLiant Storage Server Products* [2005]
- AIS – *Specialty in HP LeftHand SAN Solutions* [2009]
- ASE – *HP StorageWorks* [2008]
- ASE – *Specialty in HP Data Protector Software* [2007]
- ASE – *Specialty in HP Storage Essentials* [2008]
- ASE – *Specialty in HP StorageWorks Secondary Storage* [2008]
- Master ASE – *HP ProLiant High Availability and Clustering Solutions*
- Master ASE – *HP StorageWorks* [2008]
- APS – *HP ProLiant Storage Server Workgroup Products* [2005]
- APS – *HP StorageWorks MSA1000 and MSA1500* [2005]
- APS – *HP StorageWorks MSL Tape Libraries* [2006]
- APS – *HP StorageWorks Optical Storage (UDO & MO)* [2004]

---

## Visit The Learning Center

The information in this document is subject to change frequently. HP issues changes to certifications as market needs dictate. For the most accurate and complete list of certifications available from HP, please visit The Learning Center through your local partner portal at [www.hp.com/go/partnerportalaccess](http://www.hp.com/go/partnerportalaccess).

You will need a login ID and password to access your partner portal and The Learning Center. Information on how to request this login ID can be found in Module 3 of this Program Guide.
