HP ALLBASE/SQL RDBMS for A- and N-Class and Series 900	30368B		
<i>Industry standard, relational database for customers who require a functionally robust, low-cost alternative to third-party databases. Customers buy HP ALLBASE/SQL for 1) price, 2) single vendor sales and support, and 3) product differentiators. Product comes bundled with HP ALLBASE/Net for full read/write access between IMAGE and ALLBASE, Microsoft ODBC for using popular development and decision support tools, and end-user applications. HP e3000 A-Class and N-Class Servers purchase by server tier and get an unlimited user license level.</i>			
<i>User license on HP e3000 9x7, 9x8, 9x9KS and 99x Servers determined by operating system license quantity.</i>			
<i>One set of manuals per license.</i>
