

## Executive Biography

### **Fabio Annunziata**

Director, Business Development and 3D Materials  
HP 3D Printing  
HP Inc.

---

In his role as director of Business Development and 3D materials, Fabio Annunziata leads the 3D materials business and the HP Materials Open Platform. With the development of an ecosystem of Material partners, that are leveraging the HP 3D MJF platform, HP is fostering 3D materials innovation and reducing 3D printing costs, to unlock the true potential of 3D printing for manufacturing applications.

Fabio has been with HP for 13 years and, prior to that, worked in start-ups and strategy consulting. During his tenure at HP, Fabio has held multiple leadership positions in finance, corporate development and in the software security business. He has an MBA in finance from Università Commerciale Luigi Bocconi in Milan, Italy.
