

HP EliteBook 725 G3 Notebook PC

Enjoy the thin, light, and cost effective HP EliteBook 725 G3. Be ultra-productive by staying connected with impressive collaboration and connectivity features for your growing business on the HP EliteBook 725 G3.

Windows 10 Pro¹

- Screen Size: 12.5" diagonal

Slim new design with all the right ports

Connect with all of the essential ports you need without the hassle of dongles - in an ultra-slim design. At just 18.9 mm, the HP EliteBook 725 G3 comes with VGA, Display Port, RJ-45, USB, USB-C, and enterprise docking capabilities

Strong security, powerful manageability

Protect, detect, and recover from malicious attacks with HP Sure Start - the industry's first self-healing BIOS. Keep your team up and running with HP Touchpoint Manager² and DASH³ manageability to help monitor the HP EliteBook 725 G3.

Designed for collaboration

No need for a speaker phone. The HP EliteBook 725 G3 with Audio by Bang & Olufsen and HP's Noise Reduction Software provides a rich collaboration experience for applications like Skype for Business.

Great features and value, exclusively from HP!

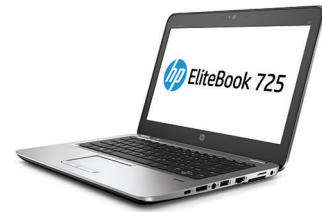

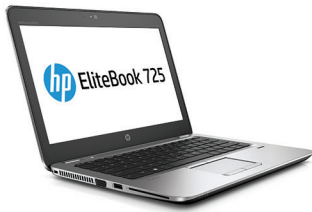

The ultrathin HP EliteBook 725 G3 delivers tremendous value. Harness the full potential of your applications with the new high-performance AMD PRO A12 APU⁴ the first APU with integrated R7 Radeon™ graphics – exclusively from HP!

Featuring

- Power through your day with Windows 10 Pro¹ and the powerful, sleek, thin, and light touch optional HP EliteBook 725 G3.
- HP Sure Start detects attacks, corruption and self-heals the BIOS automatically in real-time.
- Keep focused without the distraction of a noisy keyboard using the HP Premium Keyboard engineered for comfort.
- Stand up to the workload with an EliteBook designed to undergo MIL-SPEC 810G testing.⁵
- Help make good speakers sound great with HP Clear Sound Amp.
- Help suppress ambient noise including keyboard clicks with HP Noise Reduction Software.
- Enjoy an increased sharpness of videos using HP Pixel Sharp Technology.
- Experience the brilliant color saturation that makes images come to life with AMD Vivid Color Technology.⁶

Available Software	Buy Office; HP Client Security; HP ePrint Driver; HP Support Assistant; HP SoftPaq Download Manager; HP 3D DriveGuard; HP Connection Manager (models with Windows 7 only); HP Recovery Manager (models with Windows 7 only); HP Noise Reduction Software ^{13,14}
Security Management	Security lock slot (lock must be purchased separately); TPM 1.2/2.0; Integrated smart card reader (active); Preboot Authentication (password, Smart Card); HP Fingerprint reader (optional)
Power	45 W Smart AC adapter; HP Long Life 3-cell, 44 WHr Li-ion polymer
Dimensions	12.2 x 8.6 x 0.74 in (non-touch); 12.2 x 8.6 x 0.8 in (touch) 31.1 x 21.89 x 1.89 cm (non-touch); 31.1 x 21.89 x 2.02 cm (touch)

Weight	Starting at 2.78 lb (non-touch); Starting at 3.08 lb (touch) Starting at 1.26 kg (non-touch); Starting at 1.39 kg (touch) (Weight will vary by configuration.)
Environmental	Low halogen ¹⁵
Energy Efficiency Compliance	ENERGY STAR® certified configurations available

HP EliteBook 725 G3 Notebook PC

Accessories and services (not included)

HP 2013 UltraSlim Docking Station

Quickly and easily expand your display, network, and device connectivity to customize an always-ready workspace with the HP 2013 UltraSlim Docking Station, a simple one-click, slide-in side dock for select ultraslim HP EliteBook Notebook PCs.

Product number: D9Y32AA

HP Slim Ultrabook Professional Top Load Case

The HP Slim Ultrabook Top Load—a stylish, durable, and compact carrying case built for your Ultrabook™.¹ A black twill fabric accented with gray plaid combines form and function to help protect your hardware and give you a polished appearance.

Product number: F3W15AA

HP UC Speaker Phone

Turn any room into a virtual conference center¹ at the office or on-the-go with the HP UC Speaker Phone, a portable speaker phone for your Windows, Android™ or iOS device.

Product number: K7V16AA

HP UC Wired Headset

Enable crystal-clear sound and noise cancelling for meeting on-the-fly through your Windows notebook or tablet with the durable and lightweight HP UC Wired Headset, designed for a comfortable work day.¹²

Product number: K7V17AA

HP Conferencing Keyboard

Drive your Microsoft Lync voice and video calls directly from your HP Conferencing Keyboard and connect, disconnect, and manage your calls and videoconferencing settings with simple dedicated keys¹.

Product number: K8P74AA

Messaging Footnotes

- ¹ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.microsoft.com>.
- ² HP Touchpoint Manager requires purchase of a subscription and supports Android™, iOS and Windows 7 or higher operating systems and PCs, notebooks, tablets and smartphones from various manufacturers. Not available in all countries see www.hp.com/touchpoint for availability information.
- ³ Third party management software is sold separately. Dash certified and enterprise manageability qualified to work with MS SCCM and LANDesk.
- ⁴ AMD PRO A12 APU is an optional feature. This system requires a separately purchased 64-bit operating system and 64-bit software products to take advantage of the 64-bit processing capabilities of AMD technology. Multi-core processing available with AMD technology is designed to improve performance of this system. Given the wide range of software applications available, performance of a system including a 64-bit operating system and a dual-core processor will vary. AMD's model numbering is not a measurement of clock speed.
- ⁵ MIL-STD testing is pending and is not intended to demonstrate fitness for U.S. Department of Defense contract requirements or for military use. Test results are not a guarantee of future performance under these test conditions. Damage under the MIL STD test conditions or any accidental damage requires an optional HP Accidental Damage Protection Care Pack.
- ⁶ AMD Vivid Color technology is available on select AMD APUs and remaps the color gamut for narrow color gamut LCD panels; if your computer does not have a narrow gamut LCD panel, then AMD Vivid Color technology may have no effect on your screen's appearance. Check your computer system's specifications to determine your screen's type.

Technical Specifications Footnotes

- ¹ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.microsoft.com>.
- ² This system is preinstalled with Windows 7 Professional software and also comes with a license and media for Windows 10 Pro software. You may only use one version of the Windows software at a time. Switching between versions require you to uninstall one version and install the other version. You must back up all data (files, photos, etc.) before uninstalling and installing operating systems to avoid loss of your data.
- ³ Multi-core processing available with AMD technology is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. 64-bit computing system required. Performance will vary depending on your hardware and software configurations. AMD's numbering is not a measurement of clock speed.
- ⁴ Maximum memory capacities assume Windows 64-bit operating systems. With Windows 32-bit operating systems, memory above 3 GB may not all be available due to system resource requirements.
- ⁵ For storage drives, GB = 1 billion bytes. Actual formatted capacity is less. Up to 30 GB (for Windows 8 and 10) is reserved for system recovery software.
- ⁶ 128 GB and 256 GB available at launch; 512 GB planned to be available December 2015
- ⁷ All wireless options are sold separately or as optional features.
- ⁸ For all 802.11 wireless, wireless access point and Internet service is required and is not included. Availability of public wireless access points limited.
- ⁹ WWAN use requires separately purchased service contract. Check with service provider for coverage and availability in your area. Connection speeds will vary due to location, environment, network conditions, and other factors. 4G LTE not available on all products, and in all regions.
- ¹⁰ Miracast is a wireless technology your PC can use to project your screen to TVs, projectors, and streaming media players that also support Miracast. You can use Miracast to share what you're doing on your PC and present a slide show. For more information: <http://windows.microsoft.com/en-us/windows-8/project-wireless-screen-miracast>.
- ¹¹ HD content required to view HD images.
- ¹² ePrint requires an Internet connection to HP web-enabled printer. HP ePrint account registration required. For a list of eligible printers, supported documents and image types, and for complete details, see www.hp.com/go/businessmobileprinting.
- ¹³ HP Mobile Connect is available in select EMEA countries and requires prepaid service purchase. Find coverage and availability for your service area at www.hp.com/go/mobileconnect.
- ¹⁴ External power supplies, power cords, cables and peripherals are not low halogen. Service parts obtained after purchase may not be low halogen.
- ¹⁵ 256 GB M.2 PCIe SSD planned to be available December 2015
