PALO ALTO, Calif., July 25, 2012 - HP today announced support for HP printers and peripherals for systems running OS X Mountain Lion, Apple's new operating system for the Mac. HP provides print drivers for more than 1,500 HP peripherals worldwide using Apple Software Update.

- For HP customers upgrading to Mountain Lion from Lion or Snow Leopard; HP print drivers and software will continue to work following the upgrade.
- Additionally, HP has the largest offering of AirPrint-compatible printers for Mountain Lion allowing easier, more efficient printing without the need to download additional software.
- For customers purchasing a new Mac running Mountain Lion, HP's latest print software for most printers, AiOs, and MFPs can be installed using Software Update in Mountain Lion.
- HP software updates for the following new models are immediately available through [www.hp.com/support](http://www.hp.com/support):
  - HP Deskjet 2510 All-in-One Printer
  - HP Deskjet 3520 e-All-in-One Printer
  - HP Officejet 4620 e-All-in-One Printer
  - HP Officejet 6100 ePrinter
  - HP Photosmart 5520 e-All-in-One Printer
- Updates for the following new models will be available in the coming weeks:
  - HP LaserJet Pro400 M400 series
  - HP LaserJet Pro 400 MFP M425 series
  - HP LaserJet Enterprise 500 MFP M525 series
  - HP LaserJet Enterprise 500 color MFP M575 series
- The following models are supported using AirPrint within Mountain Lion.
  - HP LaserJet Pro P1102 Printer series
  - HP LaserJet Pro P1606 Printer series
  - HP LaserJet Pro M1217nfw MFP series

In addition to providing printer driver support, HP intends to host a dedicated Service and Support Expert Day on 08/15/2012. HP support professionals will be available all day to answer customers' questions about OS X, iOS and AirPrint for HP products and peripherals. Visit [www.hp.com/support](http://www.hp.com/support) for more information.

For more information regarding HP peripherals for Apple products visit [www.hp.com/go/mac](http://www.hp.com/go/mac).
