

May 2004

Dear HP Customer:

We are pleased to announce an update to our product, HP StorageWorks Command View SDM – version 1.07.01. This version is applicable ONLY for HP-UX 11.00/11.11 operating systems. The Command View SDM now functions on PA RISC 1.x HP-UX 11.x installations.

This update, version 1.07.01, is not released on Windows and Linux platforms. For Command View SDM installations on these platforms please use the 1.07.00 release.

To receive this update, you can download it at www.hp.com/support/c1vsdm. ~~Choose~~ by choosing the download drivers and software link.

If you have any problems or questions, please contact your local HP support representative.

We are looking forward to continuing to provide you with the best in service and HP quality products.

Best Regards,

HP
